## **Sunday Text Questions**

Ephesians 1:1-2

January 18, 2026

Pastor Mickey Klink

Read the text aloud and discuss any significant observations or issues that need clarification together.

- 1) What exposure have you had with the Book of Ephesians? What are you looking forward to (or dreading) in this sermon series?
- 2) Why would Paul root his position as “an apostle of Jesus Christ” with the explanatory phrase, “by the will of God,” and what does that mean (v. 1)?
- 3) Paul uses two terms to identify Christians, one which emphasizes God’s gift of salvation (“holy”) and one which emphasizes our responsibility to God (“faithful”). How do you hold in tension that your salvation is a gift and yet you have a responsibility to respond to and obey God?
- 4) Paul also uses two terms to identify the citizenship of Christians, one which emphasizes their natural residence (“in Ephesus”) and one that emphasizes their supernatural residence (“in Christ Jesus”). How can Christians exist in two kingdoms at the same time – an earthly kingdom (like America) and the Kingdom of God?
- 5) Related to question four, how might the fact that Christians must co-exist in two kingdoms simultaneously address all the talk in this cultural moment about “Christian nationalism?”
- 6) As we begin a new sermon series, how might you prepare in advance to engage with and respond to the message of Ephesians?
- 7) In what other ways, if any, did this passage speak into your life to teach, rebuke, correct, or train you in righteousness (cf. 2 Timothy 3:16)?

**Further study this week:** Read all of Ephesians this week to prepare for this new sermon series: chapter 1 (Mon); chapters 2-3 (Tues); chapter 4 (Wed); chapter 5 (Thurs); chapter 6 (Fri).
