

## CONNECT

Have you ever had a strong opinion about something, only to realize later that maybe there was another way to see it?

## LEARN & APPLY

### Read Acts 15:1-18

- What was the specific issue that caused the controversy in Antioch and led to the delegation going to Jerusalem? Why was this issue so significant for the early church?
- How did they resolve the issue?
- Peter recounts his experience with Cornelius. How does this past event inform his perspective on the current issue? What was the significance of the Holy Spirit falling on uncircumcised Gentiles? (Read Acts 10 for more context.)

### Reflect

- In what ways have you personally experienced the unifying power of the Gospel across different groups of people?
- Can you think of a time when God surprised you by extending grace or blessing to someone you might not have expected?
- How has your understanding of what is essential versus nonessential in the Christian faith evolved over time?

## PRAY

Pray Psalm 25:4-5. Pray for those whom you disagree with. Ask God to show you how to speak Jesus, and how to teach people like Jesus teaches people.
