Read Acts 4:5-13 & Matthew 10:24-25

- Why do you think the “rulers and elders” observed that Peter and John had “been with Jesus?” What are some clues?
- What do you think it means for someone today to “be with Jesus?” Who do you know that you could describe this way?
- What are some things people in our culture follow? Why does it matter?
- Where do you see the apprenticeship model in Jesus’ ministry with his disciples? How about with you? (I do, you watch. I do, you help. You do, I help. You do, I watch.)
- How would you relate language learning and “accents” to your journey of following Jesus? How is it similar or different?
- How is Jesus challenging you today? How will you respond?

PRAY

Jesus, you are savior and Lord! Thank you for calling us to be your apprentices. Holy Spirit, show us one way we can grow as a follower of Jesus this week and empower us to take a step. (Pray the Lord’s Prayer to finish your time together)
