Read 2 Corinthians 5:14-21

- In this scripture passage, what is the driving force behind a transformed life?
- What do you think Paul meant by "new creation?"
- Are there areas where you are still living as your "old self" rather than as a new creation? How does being reconciled to God reshape your identity?
- How does resurrection life differ from simply "trying harder" to change? Where have you seen this in your own life?
- What does it mean for you personally that God is not counting your sins against you?
- If you were sharing with someone about your own journey into new life, what would you say?
- How is Jesus inviting and/or challenging you today? How will you respond?

## PRAY

**Pray for:** People seeking freedom from addiction. A deeper experience of resurrection life in your life. Courage to pursue reconciliation with God and others. A church culture marked by grace, truth, and restoration. Conclude with the Lord's Prayer.
