LEARN & APPLY

What stood out to you in this week's sermon?

Dan compares the difference between the bible as a reference book and the bible as a story book. What are some differences between the two? How does your approach to scripture as one or the other impact how you read it?

Read Mark 12:41–44

- What do you notice?
- What questions rise up for you?

Read 2 Corinthians 8:1–15

- Who is Paul telling the Corinthians about?
- What did they do?
- In v. 5 Paul says they gave themselves in two ways. What were they?
- In v. 7 Paul extols many virtues that the Corinthians excel in. Why do you think he adds giving to this list? Why is it a "grace"?
- What do verses 10–12 mean?
- How do vv. 13–15 compare to the American Dream?

Personal Reflections

In the past few weeks we have been asking, "What kind of king will Jesus be?" How would you answer this question?

What is God saying to you today? How is he calling you to respond?

PRAY

Pray for God to give you a generous heart, as well as for the people of Haiti.
