

An Eternal Doxology to the God of Hesed and Truth Selected Old Testament Passages

In this third and final of three messages on Yahweh's eternal hesed, rather than having one passage as our focus, today will be more of an overview of how Yahweh's goodness and eternal hesed became prominent in their history, in all aspects of their praise and worship, and in declaring Yahweh's superiority over the man-made gods to which His people so easily turned. One recurring phrase became in essence a doxology that is sure to have a prominent place in the musical compositions the redeemed will sing eternally, "Give thanks to Yahweh for He is good, for His hesed endures forever" (Psalm 136:1).
