

GROWING DEEPER

A STUDY OF COLOSSIANS

READING

Colossians 4:2-6

REFLECTION

- Which of the five communication goals resonated most with you, and why? Which goal would you most like to strengthen, and how could you apply it in your daily life?
- Consider those in your relationship circles currently. How has your communication impacted them? Are there any areas where you need to seek reconciliation with anyone?
- Over the next month, pray the prayer Paul shares in this passage. Ask God to reveal opportunities to share the Word and for courage to present the gospel when a door opens.

PRAYER

Father, thank you for the gift of communication and the clear goals you've established for it. May my words bring you honor, life to my relationships, and a clear gospel impact. Forgive me for when my words cause pain and give me grace to make the necessary changes. In Jesus' name, Amen
