### LIFE GROUP QUESTIONS:

1) Tonight's passage challenges us to look beyond ourselves and consider the lost and broken world that needs Jesus. What are some things that make us more focused on ourselves rather than on those who don't yet know Him? What changes might you need to make to shift your focus?

2) The word "convict" in our passage tonight is a challenging one—it means to reveal where someone is

wrong, but with the hope of leading them to repentance. How can Christians, empowered by God's Spirit, balance speaking truth about the world's lostness while also showing grace and a deep desire for others to come to Jesus?

3) Dan shared "6 Convicting Ways to Live" as disciples of Jesus—ways that could lead others to turn to Him. Which of these do you feel you are living out well and seeing God use in your life and the lives of unbelievers? Which one challenges you the most?
