Parents and Friends of LEFC Kids!

We highly value children here at LEFC. Kids are important people! We consider it a privilege and blessing as a church family to partner with families in the discipleship process. We're passionate about inspiring children to have a hunger for studying and learning God's word! And we long for kids to internalize what it means to live day by day, moment by moment in relationship with Jesus. This is why our Shepherds serve wholeheartedly as they invest in kids on Sundays...they are teaching God's truth, yes, but they are also modeling and interacting with the kids about how our faith works in everyday life.

This Sunday, February 5

Kids Worship

This month we'll be adding the song Amazing Grace to our repertoire of hymns as we worship God together.

Missions Moment

In our Missions Moments we will watch a 3-minute video produced by Pioneers and designed especially for kids that explains what Muslims believe. As we pray for people around the world to know the hope of Jesus as our Savior, understanding what others believe is helpful background info.

Cold and Flu Season

'Tis the season for colds and sickness. Just a reminder to be considerate of others and join us online for services if your child has a fever or has other contagious symptoms.

Another great resource!

What's in the Bible? is a 13 DVD video series created for kids to understand the Bible as a whole! This series is a comprehensive, well-researched overview of the narrative of the Bible, including who wrote various books of the Bible, how the Bible was put together and substantial information and background of the Bible.

Admittedly, the series includes both the serious, silly and sublime, so if you are not one to stomach the silly side, this isn't for you. This series is available in the LEFC Library!

Parents of Young Children

Bottles and Sippy Cups

Will you take a minute to put your child's name on their bottle or sippy cup before you pack it in your bag for Sunday? Thanks!

Moving On Up!

Our littlest children develop so quickly that they may be ready to be "promoted" to the next nursery at various times throughout the year.
