LOVE'S ABOUNDING WORK | MAY 4, 2025

SERMON RECAP

Abounding love transforms our relationships, prayers, and lives. All to the glory and praise of God!

THE LEAD IN

- Think back over your walk with the Lord. Who is the person, or people, who helped you realize that knowing Jesus changes everything?

GETTING INTO THE TEXT

- Read what Paul prays for the church in Philippians 1:3-11. Paul's love for the church is evident. He prays for their love to abound to instruct their heads and their hearts. Why is this so important?
- In 1 Thessalonians 2:19-20, we see Paul's similar longing for the church in Thessalonica. How does the abounding love he calls believers to impact both their daily living and their eternity?

GOING DEEPER

- Paul loves the Philippians with "the affection of Christ Jesus." Can you say that truthfully about the way you love people? Or are your relationships and interactions driven by the convenience, or inconvenience, of others in your life or by love?
- How does the abounding love from brothers and sisters in Christ in your life instruct your head and your heart? How is your relationship with God more intimate? How are your relationships together stronger? Are discernment, purity, and blamelessness present in your life because of the love you receive from and show to others?

PRAYER

- Pray that love would abound among you as a group or a family and that love would impact your heads, your hearts, and your interactions with your Oikos.
