Use these questions in your Life Group gatherings or for further discussion as a family.

ASSURANCE IS A GAME CHANGER | NOVEMBER 16, 2025

SERMON RECAP

True assurance in Christ changes everything – we know we are forgiven, known by God, and victorious in Him. We can follow Him with confidence to wherever He leads.

THE LEAD IN

- Share a time when a trusted person in your life assured you of something that helped keep you on track and encouraged you to press on.

GETTING INTO THE TEXT

- Read 1 John 2:12-14. At first read, this feels like a strange group of verses inserted into 1 John. Who is John writing to and what is he affirming about each group?
- Why do you think that John pauses amid his exhortations to write these verses and remind the church of these things?

GOING DEEPER

John reminds believers that their sins are forgiven through Jesus, they know the Father and the Son, they have overcome the evil one, and they are strong, the Word of God lives in them.

- How does each truth strengthen your assurance as a follower of Jesus? How do they help you face temptation, fear, and uncertainty?
- What keeps people, or you, from believing these truths about themselves?

PRAYER

- Spend time in prayer expressing gratitude to God for the assurance He has provided to us that we belong to Him.
