DO YOU LOVE ME? | JANUARY 11, 2026

SERMON RECAP

Walking with Christ begins with and is marked by a life of love. Love for God and love for others is the evidence of passing from death to life.

THE LEAD IN

- If someone watched your life for a week, what would they say you love the most?

GETTING INTO THE TEXT

- Read 1 John 3:11-18. John commands us to love without qualifiers. How is love defined and how are we to show it to others?
- John 13:34-35 is connected and gives a command from Christ that when obeyed, makes an impact on the world around us. Is this passage true of your life? Does the way you love those in your Oikos point others to Jesus?

GOING DEEPER

- Are there areas in your life where to truly show love to others you need to move from words to action? Is it difficult or easy for you to see needs and feel compassion? How about acting on the compassion you feel and loving through active response?
- How can each of you personally and your group corporately reflect love to those outside the church? Consider identifying concrete, practical ways to show love to someone this week with compassion, truth, and action to point them to Christ.

PRAYER

- Ask God to mold your heart to love others as Christ has loved you and to then love others, even if it leads to hateful response.
