## OPEN ARMS UPDATE

Open Arms recently received new freezer and refrigeration cases that will help us to move to a better way to distribute our food. We will now be able to allow people to "shop" the cases and pick out the fresh or frozen food that best fits the needs of their family. We will continue to offer non-perishables and other food staples as well. We're very excited to be able to offer more food options and give our neighbors more flexibility over the food they receive. What a blessing!

*Thanks to everyone whose hard work made ministry at St. Paul possible this summer! Thanks to our camp staff, Student Ministry Team, Handicapable Team, Open Arms volunteers, our faithful leaders of ministries and studies, the volunteers who helped with the supplies FOR Our Kids and everyone who served this summer!*
