TOURNAMENT

SERVE IT UP FOR STUDENTS!

January 2026

Dear Friends,

It is an honor to invite you to partner with us as we host the **inaugural Micah House Pickleball Tournament Fundraiser**. Micah House provides life-changing support to some of the most vulnerable children and families in our Redlands community. On **April 18, 2026**, at the **Redlands Community Center**, we will come together for a memorable day of pickleball, connection, and purpose—raising vital funds to support this important work.

Since 2001, Micah House has been a beacon of hope in North Redlands where students in 1st through 12th grade, especially those from low-income families, find consistency, care, and encouragement. Each day, students receive free homework help, trusted mentors, internet access, healthy food, and critical support in reading, math, and social-emotional growth. Through long-term relationships, we help young people build strong character, meet immediate needs, and grow into confident leaders for the future.

My heart is full as I look ahead to what's next. I have seen firsthand the daily impact Micah House makes in the lives of students and families, and I truly believe even greater things are ahead. I invite you to join me in investing in local youth by becoming a **Micah House Pickleball Tournament Sponsor**. Together, we can help ensure every student has the opportunity to thrive.

Enclosed you will find additional information about the event, our sponsorship opportunities, and the inspiring work happening at Micah House. To secure your sponsorship or register for the tournament, please visit [micahhousedlands.org/PB](https://micahhousedlands.org/PB). For questions or additional sponsorship information, contact [jessenia@micahhousedlands.org](mailto:jessenia@micahhousedlands.org) or call **909-747-1440**.

On behalf of the Micah House Pickleball Tournament Fundraiser Steering Committee, thank you for your commitment to the students and families we serve. We hope to see you on the courts—or cheering from the stands—on April 18, 2026.

With hope and gratitude,

Our mission is three-fold:

- Provide a safe place for children after-school in a Godly atmosphere.
- Partner with families to positively influence the surrounding neighborhood.

# OUR PROGRAMS

## Did you know?

Micah House programs are split between two tracks: Elementary and Teens (Middle/High School).

## HOMWORK HELP

Each afternoon, students receive personalized homework support that helps them better understand their assignments and complete them with confidence. One-on-one attention makes a significant difference—especially for students who might otherwise struggle alone.

## LITERACY

Students' reading levels are assessed at the start of the year to identify areas of need. Volunteers work one-on-one with students to improve phonics, fluency, vocabulary, and comprehension. Interactive games and activities reinforce these skills and promote critical thinking. Progress is monitored throughout the year to ensure continued growth.

## ENRICHMENT

Our enrichment program offers hands-on STEM and creative arts activities designed to engage students academically and emotionally. These experiences help students discover new interests, strengthen comprehension, and develop healthy outlets for self-expression.

## CHARACTER BUILDING

Micah House provides more than academic support—it's a welcoming space where students build resilience, empathy, and a sense of purpose. Through lessons grounded in Biblical values, meaningful conversations, and opportunities to serve, students grow in both character and confidence.
