Personal testimony:

I am blessed to have a strong Christian heritage that I can trace back 4 generations. I invited Christ into my heart at the age of 5 or 6 and publicly proclaimed my salvation and commitment to Jesus through baptism at the age of 16. Through the teaching, training and prayers of two Godly parents, many committed Sunday school teachers, pastors, youth group leaders, praying saints, and a merciful God, I have grown steadily in my faith. My spiritual journey is not filled with stories of great challenge but is more about steadily progressing through life and facing it with my faith founded on the rock of Jesus Christ and the desire to hear him say “well done my good and faithful servant” after I take my final breath. One of my favorite scriptures is Micah 6:8...“He has shown you oh man what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God.”

Ministries:

I have been blessed over the years to serve in various churches and roles. I’ve taught children’s Sunday school, adult Sunday school, served as high school youth leader, served as worship leader, been on church plant teams, served as an elder, participated in missions’ trips, led search committee for senior pastor and served on building committees. I also am blessed to live my faith boldly in my business. I see the secular world as my place for Christ centered spiritual influence and attempt to lead from a position of humility and grace so that our employees, their families and our business associates are positively impacted.

I believe strongly that as Christ followers we are called to use our unique God given gifts, time and treasure to serve the local church body and that by doing that we are instrumental in fulfilling the great commission and continuing what Christ set in motion through his disciples when he said, “you will be my witnesses”.
