

Saturday: Strengthening Your Family Foundations – Pastor Mark Pope  
February 8/9, 2025

1. What do you consider to be some contributing factors to the "overall success" in your life?
2. Families have great influence over us – for good and for bad. Describe a time when your family influenced you.
3. In a life-giving family, parents are humble. They adopt a servant-oriented posture. How do you think that posture impacts their children?
4. Think of some of your relationships. What is your posture in those relationships?
5. What actions do you find yourself ready to respond to by pouncing? What can you do to put an end to the pounce response?
6. The message closed with three hints in helping to raise obedient children - start early, repent and pray, & don't disconnect. Which of these do you need to work on this week? How?
