INTRODUCTION

Mission Statement

GCA exists to partner with families in providing students with a quality, Christian education at home. Our main desire is to instill in young people a deep love for Jesus and His Word which equips them to “make disciples” in response to the Great Commission (Matthew 28:19). We seek to reflect Christ in all aspects of life including how we educate our students.

GCA's unique program combines the benefits of classroom learning and the flexibility and joys of homeschooling. We serve families who want the freedom to homeschool while benefiting from a supportive community and high-quality, Christ-centered academic instruction.

Our program includes the following:

- One day/week classes for students from preschool through 12th grade
- An umbrella school for K-5th graders (open only to children of GCA teachers AND younger siblings of 6th - 12th grade students enrolled in the *RLCA at Glasgow* diploma program. Families must also reside in either Delaware or Maryland.)
- *RLCA at Glasgow* is a diploma program with open enrollment for 6th-12th graders. *RLCA at Glasgow* provides encouragement and accountability through portfolio reviews with experienced homeschooling educators, grades, transcripts, competitive sports, and an accredited diploma upon graduation. **Enrollment in *RLCA at Glasgow* is not required to enroll in classes.** The well-rounded GCA experience includes weekly core subject and extra-curricular classes, mercy ministry projects, social activities, student council, honor society, chapels, dramatic musicals, and our annual Student Showcase.
- Support for students with special needs.
GCA welcomes students with special needs in our classes. Students should be able to maintain appropriate participation levels in the classroom and may attend with or without assistance.

Values

GCA, formerly called Three M, is based on Modeling—striving for excellence as teachers and/or students, providing real, tangible examples of godly homeschool practices, Mentoring—experienced homeschool families helping newcomers, and Mercy—exhibiting qualities of serving others through planned projects which encourage being others-oriented.

Model: *Whatever you do, work at it with all your heart, as working for the Lord and not for men...*
~Colossians 3:23

Mentor: *Teach and encourage others in accordance with sound doctrine just as the grace of God teaches us. Say “no” to ungodliness and worldly passions, live self-controlled, upright, and godly*

lives, in this present age... ~Titus 2

Mercy: *He has shown you, O man, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God? ~Micah 6:8*

What We Believe

- We believe the Bible to be the inspired, only infallible, authoritative Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- We believe that for the salvation of lost and sinful people, regeneration by the Holy Spirit is absolutely essential.
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
- We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.
- We believe in the spiritual unity of believers in our Lord Jesus Christ.
- We believe in the Westminster Confession of Faith.

Commitment to Biblical Principles

The biblical and philosophical mission of Glasgow Christian Academy (GCA) is to work with families who desire themselves and their children to develop into mature, Christ-like individuals who will be able to exhibit a Christ-like life. GCA seeks to establish a strong partnership with parents in order to maximize the spiritual and educational influences of the home, church, and school. It is our desire for students to develop and articulate a distinctive Christian worldview based on Scripture that impacts their thoughts and actions. In addition, we seek to aid the development of each child spiritually, socially, physically, and intellectually.

GCA stands firmly upon the historical truth, claims, and moral foundation of Christianity. This includes, but is not limited to, the biblical definition of marriage, the boundaries of sexuality and moral conduct, and the clear biblical teaching that gender is both sacred and established by God's design. While the student and enrolling parent are involved at GCA, they are expected to exhibit the qualities of sexual purity found in the Scriptures and to refrain from certain activities or behavior. Therefore, GCA retains the right to refuse enrollment or withdraw students should the parent or student engage in sexual immorality, including any who practice, promote, and/or condone sexual relationships outside of a biblical marriage between one man and one woman, homosexuality, bisexuality, or transgender behavior (Romans 1:24-27; 1 Corinthians 6:9; 1 Thessalonians 4:3-5; Hebrews 13:4).

In addition, as Christians, we must be the salt and light of the world and cannot remain silent while our nation is fighting against the intolerable sins of racism, hatred, violence, and injustice. "Let justice roll down like a river...woe to those who are complacent" (Amos 5:24, 6:1). May we intentionally strive for unity and to be one as Jesus prayed in John 17. In that spirit, please read the following statement:

I Corinthians 2:2 says, "I want to know nothing among you but Jesus Christ, and Him crucified." At GCA, we take this Scriptural call seriously to live for and reach all people with the message of Jesus while filtering all of life through the grid of the gospel. This includes speaking up for and coming alongside people of color who face the ongoing struggle against the sin of racism. Learning to listen, going beyond our comfort zones, and looking within our own hearts will help us acknowledge where injustice exists so we can pursue opportunities to share the healing hope and reconciliation of the cross. We desire to create a community of worship and education where all people, regardless of race, feel safe and unconditionally loved. May our fervent prayer be that we will always desire "to act justly, to love kindness, and to walk humbly with our God" (Micah 6:8).

Parents or legal guardians who choose to apply, are accepted, and subsequently enroll their children at Glasgow Christian Academy are agreeing to support these and other basic biblical values derived from Scripture.

PARENT & STUDENT RESPONSIBILITIES & EXPECTATIONS

GCA views the relationship between teachers and parents as a partnership. The teacher's role is to provide classroom instruction, communicate with parents and students, assign homework, distribute quizzes and tests, and assign grades (for graded classes). However, because GCA classes meet only one day per week, much of the instruction and learning happens at home. The parents' role is to commit adequate time each day to educating their child(ren). This could include reading the textbook to/with the child, reviewing concepts to ensure understanding, helping the child study for a test, offering feedback on a writing assignment, etc. When parents are engaged in the education of their children, students will gain the maximum benefit from GCA classes.

Parent Responsibilities & Expectations:

In order to register for and participate in GCA classes, all parents must understand and agree with the following:

- ☐ Read and agree to abide by the information in the GCA Student-Parent Handbook.
- ☐ Make sure their middle school and/or high school student(s) read, understand and abide by the GCA Student-Parent Handbook, including the summary of Student Responsibilities & Expectations below.
- ☐ Check email regularly for messages from teachers and GCA administration.
- ☐ Honor the volunteer commitment as part of the Family Service Requirement (seep. ??). This includes finding a replacement if needed and communicating the name of the substitute via email to GCA@redlionca.org.
- ☐ Obtain required books and supplies for student's classes by the first day of school. Refer to the Course Catalog for details: www.reachschoools.online/our-schools/glasgow-christian-academy/academics/class-information/
- ☐ Provide appropriate and sufficient educational instruction and guidance to their children on non-GCA days. Parents are the 'at-home' teacher and have primary oversight of student academics. The amount of involvement varies based on the student's age and level of independence; however, ALL students need some degree of supervision and guidance. Parents are expected to stay abreast of their student's assignments and insist he/she meets all assignment deadlines.

- ☐ Commit to ensuring that students regularly attend all classes in which they are enrolled. Students should arrive on time and be prepared to fully participate in the class by completing any homework assignments.
- ☐ Administer all at-home tests and quizzes, following all proctoring guidelines provided by the teacher and restricting the student's access to any resources not explicitly allowed by the teacher.
- ☐ Notify instructors prior to any absences. It is the responsibility of the parents and/or students to make arrangements with the teacher(s) to make up what was missed.

Student Responsibilities & Expectations

In order to register for and participate in GCA, all middle school and high school students must understand, agree with, and adhere to the following:

- ☐ Respect and obey those in authority.
- ☐ Adhere to the dress code, electronics policy, and the Code of Conduct (refer to Student-Parent Handbook for all policies).
- ☐ Come to every class on time and well-prepared and complete assignments on time.
- ☐ Follow teachers' guidelines regarding the use of outside resources on homework, quizzes, and tests. Cheating in any way is a serious offense and will result in disciplinary action.
- ☐ Communicate any absence with instructors ahead of time and make arrangements to make up any missed classroom instruction and/or homework.
- ☐ Remain within designated areas at all times. During the school day, students must be in class, in their assigned lunchroom, in the Zone, or with their parent. Students may not roam or leave the building or property without permission.

ADMISSIONS

Admissions Overview

Compliance with the rules and regulations outlined in the handbook is necessary. These policies have been established to protect the students and faculty and to create a safe and welcoming environment for learning. GCA reserves the right to make changes, amendments, and corrections to these rules and policies at any time without prior notice, when deemed necessary.

GCA admits students of any race, color, national or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to all students at the school. It does not discriminate on the basis of race, color, or national and ethnic origin in administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

The opportunity to participate in our program is available to anyone in agreement with the guidelines within this handbook and dependent upon space availability.

Commitment to Excellence

Students will adhere to the dress code, be focused, thoughtful, considerate, displaying self-control and Christian character traits, and be committed to pleasing the Lord in all they do and say. Students will show respect and consideration for other students, staff, and teachers, as well as respect for property. Students will be submissive to authority and work toward a willingness to understand how to apply mercy to everyday situations that arise. Continued negative behavior may result in expulsion.

Students will use the restroom during breaks between classes only, except for emergencies. Students will not dawdle between classes but will make sure to arrive at each class on time. Students will make up work when absent. Exemptions may be made for extenuating circumstances.

Parents will be united with our vision to train children's hearts to love the Lord and His church. Parents will model grace for their children as they shepherd their hearts and minds. Parents will be responsible for overseeing work assignments and establishing good communication with the teacher. Parents are responsible to be with their children when their children are not in a class or study hall (Zone). Parents are expected to make sure students arrive at GCA on time and to pick them up promptly after their last class ends. Parents must notify teachers if their student will be absent. Parents agree to ensure that their children adhere to the GCA dress code. General administration information will be handled through email; therefore, parents must keep their email address current and check it regularly.

Family Service Requirement: Families who do not have a parent teaching on a weekly basis **are required** to provide a parent (or responsible high school student) to serve in a weekly helper position. Parents will be asked to select a window of time for availability under the *Helper Availability* form during online enrollment. Please refer to page 8 for more details.

OPERATIONS

Communication

GCA parents and students in graded classes must have a valid e-mail address and access to a computer and printer to receive all important GCA related communication. Periodic updates, schedules, class information, and homework are generally sent out via e-mail. Families are expected to check their e-mail regularly.

Dress Code Policy

Uniforms are not required. With the oversight of parents, we are trusting students to dress in neat, modest attire. The following are prohibited: earbuds/Airpods, tight clothing (leggings can be worn only if the 'backside' is covered by a long shirt), clothing with large rips/holes, strapless, low-cut and midriff-exposing shirts, short shorts, short skirts, or visible bra straps/underwear. Compliance is everyone's responsibility. Students who do not come dressed in appropriate attire will be sent home to change.

Electronics Policy

Use of electronic devices, including iPads, iPods, computers, hand-held electronic games, earbuds/Airpods, etc., is not permitted during the GCA day (classes, lunch room, etc) except while students are in The Zone. Use of cell phones is not permitted except with teacher permission. Cell phones taken out during class without permission will be taken from students and returned at the end of the period.

Facilities

We have been blessed with a wonderful facility. GCA families are expected to respect church property and use only items and areas sanctioned for our use. Students may not enter the large kitchen on the first floor or the gym unless given specific permission to do so. Students are not to wander hallways or outside without supervision.

Lost and Found

All unclaimed articles will be placed in the Lost and Found which is located in the GCA office. All unclaimed items will be donated to a worthy organization at the end of each month. We suggest that you tag all of your child's articles with his/her name. Please look for items immediately after you discover they are missing.

Safety and Security

At GCA we strive to create a safe and welcoming environment for our children. Safety precautions include keeping all doors to the building locked during school hours, a door monitor at the main entrance, security cameras throughout the building, extra helpers in most classes, escorting preschool through 2nd grade students from class to class, and background checks on all teachers. Teachers and parents will be given a badge that must be worn while in the building. A nominal fee will be charged to replace a lost badge.

Unless accompanied by an adult or given special permission by a parent, students are not permitted to leave the building until all of their classes are done for the day. This is for safety reasons and includes students who are old enough to drive.

Family Service Requirement

Each family that is not already providing a teacher, is required to provide one parent, grandparent, or responsible high school student to help in an assigned position at GCA. Having full participation from each family helps to ensure a safe, quality, and cooperative homeschool environment. Positions include classroom helpers, lunch monitors, door monitors, zone monitors, hot lunch and special event team members. If for any

reason you are unable to serve on a particular week, it is your responsibility to find another parent to cover your position.

Limited exemptions:

- Families registering only one student in only one class are exempt from serving.
- We offer a limited number of opt-outs for a fee of \$295.00 for the year. Opt-out spots will be approved on a first come, first served basis for families with documented, extenuating circumstances. If a helper is unable to continue their position during the school year, this may result in paying a portion of the opt-out fee.
- If a serious health issue prevents a family from fulfilling their helper responsibility, an exemption will be allowed without charging the opt-out fee. Please provide a note from your doctor.

Position Descriptions:

- Classroom Helper – Classroom helpers have no required preparation and are needed only as an extra set of hands in the room to help maintain order and return the room to its original condition at the end of the period. Classroom helpers also walk K-2nd students to their next class if needed.
- Door Monitor - Door monitors are responsible for allowing students/parents entry into the building during their assigned hour.
- Hot Lunch Team - This team of volunteers assists the Hot Lunch Coordinator once a month to distribute pre-ordered lunches during the lunch hours.
- Lunch Monitor – Lunch monitors supervise a particular grade level during lunch. They are responsible to ask several students each week to head up trash pick-up and table wipe down at the end of the lunch period (students should be completing these tasks, NOT monitors). Chairs also need to be pushed in under the tables. Monitors in grades K-2 will be responsible to escort students to their next class.
- Special Events Team – This team of volunteers assists our Special Events Coordinator by purchasing snacks/drinks for events (all reimbursed), setting up tables, and cleaning up at the end of the event. This is a great position for a family that can't commit to being at GCA every week.
- Zone Monitor - This position requires parents to monitor students in either the Elementary or High School Zone for their assigned hour.

Other Important Details:

- Certain helper positions will require a criminal background check to be completed.
- Helpers are required to serve for the duration of their scheduled position.
 - 32 Weeks - High School Classes/Lunch/Zone, Door Monitors, Nursery (possibly)
 - 28 Weeks - Preschool/Elementary Classes/Lunch/Zone, Door Monitors, Middle School Classes/Lunch /Zone
- High School Students who wish to volunteer and serve on a weekly basis can earn "Community Service Hours." (A limited number of positions can be filled by high school students. If an appropriate position is not available for a high school student, the parent will be required to serve.)
- Parents and teens are welcome to request and serve in more than one helper position if desired.
- Please arrive 10 minutes early for your assigned position.
- **If you are unable to serve on a particular week, it is your responsibility to find another parent to cover your position. Helpers who fail to find a replacement will be charged a \$25 FACTS fee per occurrence.** A directory of GCA families will be distributed via email before the beginning of the school year to facilitate communication.
- In the event of your absence, please notify the GCA committee GCA@reachschools.online of your replacement.

Home School Legal Defense Association (HSLDA)

HSLDA is a national organization dedicated to the preservation of parents' right to educate their children at home. HSLDA has established the National Center for Home Education through which it monitors state and federal legislation and notifies its members of pending actions throughout the country. HSLDA collects data and provides accurate reports concerning the success of home education nationwide.

HSLDA Membership Benefits

HSLDA provides legal counsel and representation in the event of action by a school board, school superintendent, or other governmental representative. In addition, HSLDA issues a quarterly newsletter, The Home School Court Report, with information regarding court cases, trends, and issues affecting home education across the nation.

GCA Homeschool Academy cannot and is not legally able to protect you and your family. Because of HSLDA's value as a resource to homeschool families and especially for the legal protection it affords those getting started, we strongly recommend membership.

Medical

GCA defers all medical decisions to parents. Parents should accurately complete Medical Information during Online Enrollment. Parents also can give consent for students to receive non-prescription medicine stock in the office.

PLEASE KEEP YOUR CHILD HOME IF THEY EXHIBIT ANY OF THE FOLLOWING:

- **Common Cold/Covid-19/Flu-like Symptoms**
- **Temperature/Fever** – Oral or axillary temperature of 100 degrees or higher, accompanied by behavioral changes and/or other symptoms. Students should be fever-free for 24 hours without taking fever-relieving medication prior to returning to school.
- **Chicken Pox (Varicella)** – Please don't send your child until all lesions have dried.
- **Coughing**
- **Eye Discharge** – purulent conjunctivitis (defined as pink or red conjunctiva with white or yellow eye discharge, often with matted eyelids after sleep and eye pain or redness of the eyelids or skin surrounding the eye)
- **Impetigo** – please keep your child home until 24 hours after treatment has been initiated.
- **Jaundice** (Yellow skin or yellow eyes) – Please keep your child home until a physician documents that the child poses no serious health risk to himself or other children.
- **Lice (Pediculosis)** – Please keep your child home for the following: evidence of live louse found on child's head, evidence of eggs (nits) found within ½ inch of scalp, or if a child has not been treated with an over the counter pediculocide. Student may return after the over-the-counter pediculocide is used and nits removed.
- **Rash** -- (skin that is infected; untreated skin patches or lesions). Please keep your child home if rash accompanies fever or behavioral change until physician has determined the illness not to be a communicable disease.
- **Scabies** – Please keep your child home until after treatment has been completed.
- **Strep Throat** – Please keep your child home until 24 hours after treatment has been initiated and until the child has been fever free for 24 hours.
- **Vomiting/Diarrhea** – Please keep your child home after an episode of acute vomiting not related to coughing. Child should remain at home until symptoms have subsided for at least 24 hours.

School Closings/Virtual Classes

School closings will be communicated through email and GCA's Facebook page. Classes canceled due to weather will be handled as necessary.

If classes are unable to meet in person due to health-safety concerns or inclement weather, some middle school or high school classes may be held virtually via Zoom. We will communicate any relevant changes via email and Facebook. Teachers will be responsible to email their students any information specific to their class (i.e. Zoom link, changes to the syllabus, etc.).

STUDENT LIFE

Mercy Ministry & Missions

GCA was originally called Three M, with one of the M's standing for Mercy since we have always had a desire to be a merciful presence in our hurting world (Micah 6:8). We have supported a girl named Virginia from Happy Life Children's Home in Kenya for several years through their sponsorship program. Many of our students, alumni, and teachers have visited Happy Life over the past few years.

In the past, we have featured a 'donation box' at the sign-in table where students can leave their gifts. This year, we hope to increase our support for Happy Life by asking each family to contribute a minimum of \$15/family. If each family gave this even a small amount, we would have enough funds to sponsor three or four children!

We will provide more information about GCA's sponsorship of Happy Life at the beginning of the school year. Please prayerfully consider what your family is able to give to these precious children. To learn more about Happy Life, please visit their website: www.happylifemission.org.

ACADEMICS

Grading

Elementary courses are not graded. Courses for Middle School and High School core subjects are graded, with the option to audit (see 'Audit-Only' below). If auditing is chosen, parents must communicate that decision directly to each teacher. This does not apply to electives such as art or drama. Please see the individual course descriptions to determine the grading options. Course descriptions are viewable on the website: www.reachschoools.online/gca.

Graded Course (traditional option): The student is accountable to the teacher (parents provide guidance as necessary at home). The teacher establishes the tests/assessments, assigns homework, and formulates the grade based on the student's performance. Any graded tests or quizzes administered at home should be taken "closed book" in the presence of a parent unless otherwise directed by the teacher. Tests/quizzes will be returned to the teacher in a sealed envelope signed by a parent. Late assignments and lack of participation in class may impact the overall grade based on the teacher's grading expectations. Teachers use FACTS Classroom to document grades. Parents may view their student's grades online at any time via their Family Portal account using their existing username/password. Parents and students should regularly monitor academic progress through FACTS.

Audit-Only Course (non-graded option): The student is accountable to the parent. This option is offered to provide flexibility for students who wish to participate in a class without being required to fulfill all of the requirements established by the teacher. Auditing students are still expected to participate in class instruction, discussion, and labs but may complete assignments as assigned by the parent. Students will be expected to limit questions to the subject matter currently being addressed by the teacher (off-topic questions will be handled at the teacher's discretion). Individual assignments may be graded by either the parent or the teacher; however, the teacher will not track the student's scores in FACTS or assign mid-term/final grades for the class. Parents are responsible to assign any grades needed for the student's permanent records. Payment of class registration fee and tuition is still required. **The decision to audit a class must be made before the start of the second semester although exceptions may be made for extenuating circumstances.** (Students enrolled in the *RLCA at Glasgow* diploma program **MUST** choose the graded option for Bible and for at least one core class (English, Science, Math or Social Studies). For audited classes, parents are responsible to assign any grades needed for the student's portfolio. All graded work must be shown at the portfolio review.)

Homework

To get the most benefit out of class time, students typically do work at home before attending each class. Students are expected to complete assigned homework and come to class prepared to participate in discussion and activities. For elementary students, this may be as simple as a reading assignment. Some non-graded classes will incorporate incentive charts to encourage homework completion. For older students, homework does become more demanding. In addition to class preparation, homework based on class instruction may be assigned.

GCA Honor Society
