## Mission Spotlight

### Active in Mission

#### Our Response to the Earthquakes in Turkey and Syria

Our hearts are deeply grieved by the impact of the two massive earthquakes that struck Turkey and Syria in the early morning hours of Monday, February 6. The loss of human life and destruction of infrastructure is immense.

In an effort to help the plight of those that have been displaced and impacted with personal loss, we call on you to pray and as God enables you to give to the relief efforts. We call you to **respond with financial contribution**. Since there is an immediate need for aid, we encourage you to respond now. For the next few weeks, we will receive checks payable to Community Fellowship with "Earthquake Relief" on the memo line. Cash gifts will also be received as long as they are clearly marked for earthquake relief. Your gifts along with a generous gift from CF will be forwarded to our partner organization and designated to earthquake relief. World Relief is responding to provide immediate assistance through their network of long-standing partners and churches in the region. <https://worldrelief.org/respond/#current>

Pray for these needs for the people in the region impacted by the earthquake.

- For safety and provision for the ongoing rescue and recovery efforts.
- For God's mercy and compassion to pour out on all affected.
- For the small church in that region to be equipped with gospel light and hope.
- For the name of Jesus to be proclaimed and His glory revealed.

## Serve

There are many ways to serve here at CF. For current needs for Caring Network and World Relief please visit our [Shalom Outreach page](#).
