

Joyfully celebrated on Saturday, February 18th with the good folks of Peace Lutheran Church in Lompoc, CA, her friends and brother Stephen, and a plethora of pastors as we shared in the Ordination & Installation of 2021-22 SELC Intern Pastor, Diana Washington. Always a highlight of being an Internship Supervisor representing our congregation that has sponsored 40 interns (she was the 40th; my 14th). Heard lots of words of appreciation & gratitude from congregants about now Pastor Diana. She is also a Mission Developer, soon to begin outreach through music to children & youth nearby with the goal of starting a Latino church, Latinx Paz Church. Also enjoying the beauty of the very green SoCal hills and, hopefully tomorrow, a short drive to the beach. Diana also expressed appreciation for all your support and congratulations! (See the pictures below and on our Gallery)
