

HOW TO USE THE T.H.R.I.V.E. BIBLE STUDY INTERACTION METHOD

When you have your daily time with God, use THRIVE to help you think through what you're reading.

Text

Pick a section of the Bible and read it. As you read, circle, underline, or highlight those things that intrigue or excite you. Could you pick one verse from your reading that captured your attention?

Highlight

Reflect on anything you can observe about this verse within its context and highlight that section.

Insight

What is God saying in this verse? What truth did you learn? Write down your observations, thoughts, or questions.

Vocalize

Close your time with a simple prayer asking God to help what you learned come alive in you. Respond to God in prayer. Write down a short prayer thanking God for this truth and ask God to help you apply it in your life.

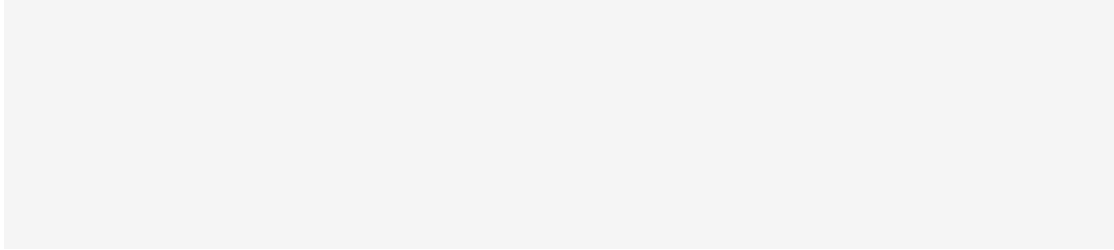

Express

Explain how this verse touches or applies to your life right now. Write down a practical way you can express this truth.
