Helping Others

Peace Garden Club -DID YOU KNOW...that gardening will make you happier and healthier? Playing in the soil actually boosts your mood and immune system and reduces stress and anxiety! If you don't believe that, then come join the Peace Garden Club! Our initial goal is to raise vegetables for local food pantries, soak up some sun and Vitamin K, and find some fun along the way. We need lots of volunteers on an ongoing basis to mulch, plant, weed and water ... and eventually harvest. We hope to get started this spring. Can you dig it? If so, please [Register Online](#) to indicate your interest. You know you will feel better if you do!
