

We Are God's Light!

Dear Members and Friends of Peace Lutheran Church,

Welcome to the 2025 Peace Lutheran Stewardship Appeal!

"And God said, 'Let there be light,' and there was light. God saw that the light was good." We are God's light. Each of you shine God's light in many ways. And our church is a beacon of light for this congregation and for those searching for the love and goodness that comes from God. Your faithful support and commitment make all of this happen.

As we do each year, we ask you to consider your blessings as you decide how to respond to our annual request to support the mission of Peace Lutheran Church. Please reflect on all the ways that God's light shines in your own life and the hope and peace it brings to you. We ask you to contemplate also the ways that Peace Lutheran Church has played a role in stirring you to bring God's light to others - hearing the Gospel weekly, feeling the encouragement of others here at church and seeing the light that they shine.

You are truly God's light in the world. Please know that we at Peace Lutheran see you shine, and we are so proud and so grateful for the many ways God's love glows in you. We come to you with gratitude for your past support and ask for your continued financial commitment to Peace Lutheran Church so that we, as a church community, can continue bringing God's light to one another and to our community.

Yours in God's Light,

Pastor Amy Michelson
