Synod Growing Disciples Newsletter

When you hear the word "serve," what comes to mind? Do you think of someone bringing you food at a restaurant? Or do you think about a person who wiped your brow or brought you soup when you were sick in bed? Christ-centered service is often transformational. It can change both the life of the one who serves as well as the person who is served. Service is a living witness to our faith that provides opportunities for us to invite other to learn more about Jesus. Through service, we encourage those who are struggling to go on and restore hope in their lives. Jesus says, "Give, and it will be given to you. A good measure, pressed down, shaken together, running over, will be put into your lap; for the measure you give will be the measure you get back." (Luke 6:38) Each month the Northern Illinois Synod has a Growing Disciples newsletter available online. Please use the link below.
