

BOOK STUDY

Join the DioMO Gun Violence Prevention Ministry for an online book discussion of Michael W. Austin's *God and Guns in America*. "*God and Guns in America* is required reading for any follower of Jesus interested in the gun debate. Austin advocates a third way between pacifism and the just war notions of the use of violence, which he calls 'peacebuilding.'" Led by Dr. Janet Hyde, GVP co-missioner

MONDAYS AT 7 PM, FEB. 3-MAR 3
