

Cross Conroe 2023! New Days and dates! WED, July 5 – SAT, July 8th
Crossing Conroe with the message of the Cross!

Project Teams

New! Terrenos – A new mission field has opened on the east side of the county! We are expecting 180 to 200 children for a VBS/Day Camp experience from Wednesday to Friday. Team members will leave the church at 8:30am and return around 2:30 each day.

Acts of Kindness – this is composed of various activities, both large and small – bag stuffing, lunch deliveries, gift cards, water wagon and much more!

Sewing Team – will make 300 blessing bags to give away to homeless individuals. Additionally, they will make 600 cloth “chalkboards” to be used at a school in Cambodia.

Block Parties – each day we host a party with hot dogs, nachos, sno-cones, bounce houses and games in a local neighborhood for the purpose of meeting new friends and building relationships.

Construction, Painting and Lawncare – this team works throughout the city helping neighbors with a variety of “handyman” type jobs.

Medical Team – Each night from 6pm to 8pm we host a medical clinic at Under/Over Fellowship on South Frazier. Neighbors can choose to be seen by a Medical Dr, Eye Dr, Dentist, Chiropractor or Nurse practitioner.

Hair Care Team – During the medical Clinic, our haircare professionals take care of needed haircuts and shampoos!

Support Teams

Prayer team – this team saturates every part of Cross Conroe in prayer. Some pray on location at the church, while others travel around the city and others pray from home, receiving updates and prayer requests throughout the day.

Food Team -- Provides breakfast, lunch and dinner as well as snacks, ice and drinks for each project!

Transportation Team – helps get everyone where they need to be when they need to be there! All drivers must be pre-approved through our church insurance.

Translation Team – helps with each team as needs arise throughout the day! Prayer, medical and Terrenos will be emphasized this year!

Media Team– Social Media is our friend! This team promotes and supports every area by updating Instagram and Facebook as events happen.

Childcare Team – a very special team that care for our youngest missionaries while parents are out on projects. It’s open during the morning and evenings for children from birth to age 4. Child Safety and checks are required to serve on this team.
