CONNECTIONS MINISTRY

The purpose of the Connections Ministry is to bridge the gap between completing the required classes and becoming active in ministry. Our goal is to help new members discover their S.H.A.P.E., identify their God-given gifts, and find a ministry where they can serve with purpose and joy. We believe every member of Progressive Community Church has a unique contribution to make—one that brings glory to God and strengthens our church family.

We Are Seeking Counselors

The Connections Ministry is looking for caring, patient, and attentive counselors to support our 1:1 sessions with new members. If you are a strong communicator with an even stronger listening ear, we invite you to consider joining our team. Help us walk alongside new members as they move from completing classes to actively serving in ministry. Together, we can ensure that every believer finds their place and their purpose.

We have Sous Chef's, Pastry Chef's, decorators, organizers, cleaners and of course the main cooks. Everyone provides an important piece of the Ministry to make it run as smoothly as possible. Our team serves as the church's eyes and ears. We stay observant, remain ready to help, and treat every person with kindness and respect. Together, we work to make sure all who enter feel protected, valued, and loved.

Exterior Security Ministry:

The Exterior Security Ministry helps create a safe and welcoming environment before members and guests even step through the church doors. Our team provides a strong, visible presence in the parking areas during Sunday services and special events.

We maintain safety through both mobile and foot patrols, keeping watch over the grounds and ensuring that vehicles and walkways remain secure. By staying alert and approachable, our team offers peace of mind to everyone attending worship. In addition to providing security, we greet guests and members and uplift our community with a warm, friendly spirit. Our ministry is often the first point of contact for those arriving, and we take pride in setting a positive tone for their worship experience.

If interested, please inquire and schedule a Sunday morning ride-along.
