PROVERBS 3; 1 KINGS 4:29-34

God gave great wisdom to King Solomon. Solomon became wiser than all the people in all the lands. People knew about Solomon's wisdom and came from everywhere to listen to Solomon's wisdom.

Solomon said many important things. His sayings were written down so that people in Bible times and even now would know how to live as God wants. Solomon told people that God gives wisdom and He helps people know the right things to do.

One of the things Solomon wrote about is trusting God. Solomon trusted God to help Solomon make wise choices and right decisions.

Solomon said, "Trust God with all your heart. Don't count on what you know. God will guide you to go in the right direction."

Solomon had many things to say about trusting God. Solomon said that God will bless people when they do the things God says.

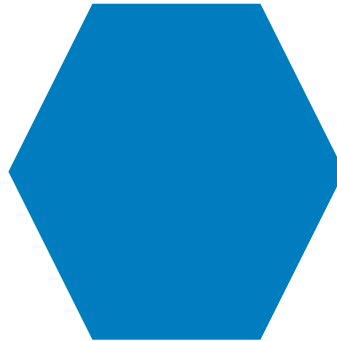

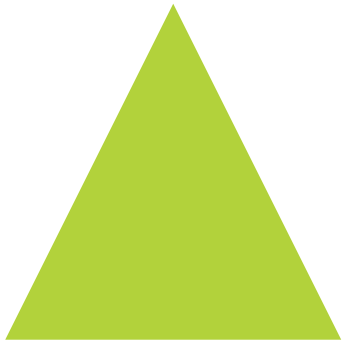

"God created everything—the heavens, the earth, and the seas—through His wisdom," said Solomon. No one else is as wise as God.

Solomon said to be good to others and be ready to help them. "Your neighbor lives near you and trusts you. Help him if you can."

Solomon said God will bless us when we bless others. "Trust God in all your ways. He will guide you," wrote Solomon.
