JOHN 2:1-12

People were everywhere. Families had gathered in Cana to celebrate a man and woman's wedding. It was a happy time with people, music, and food.

Jesus and His disciples were invited to join the wedding celebration. When Jesus arrived at the place of the wedding, He saw His mother, Mary.

The people ate the delicious foods that the servants had prepared. They drank the special grape juice (wine) until it was gone. But the party wasn't over.

Mary went to Jesus and told Him about the juice running out.

Jesus was not ready for everyone to know about Him, so Jesus told His mother it was not time to show people what He could do.

But Mary turned to the servants and told them to do whatever Jesus said to do.

Jesus looked around and saw six large stone jars nearby. "Fill the jars with water," Jesus instructed.

The servants obeyed.

Then Jesus told the servants to take some of the water from the jars and give it to the servant in charge.

When the head servant tasted the water, it was the best juice (wine) he had ever tasted! The people at the wedding were amazed and pleased.

After this happened, the disciples knew Jesus was the One God sent. Only Jesus could do something like this!

What Happened at the Wedding?

When the special juice was all gone, Jesus told the servants what to do. Do you remember what Jesus told the servants to do? Do you remember what Jesus said? (Fill the empty jars with water.)

Look at the stone jars.
How many do you count?

Match the jars that are the same.

God's glory and power.
