FOR KIDS & PARENTS

PSALMS 34 & 35

The book of Psalms is a collection of praise songs and prayers. Many psalms were written to God. Many psalms were used as part of community worship experiences when God's people gathered.

Different people wrote the psalms. David wrote some psalms about God, and other people wrote psalms about David. Many of the psalms tell about God's goodness and love.

One psalm (34) is about a time when David was in danger. David hurried to a cave to be safe. David said, "I will tell of God's greatness always. I asked for God to help me, and He rescued me from my fears." David knew that God rescued and protected David because David loved and feared God. "God hears people call out to Him," David wrote.

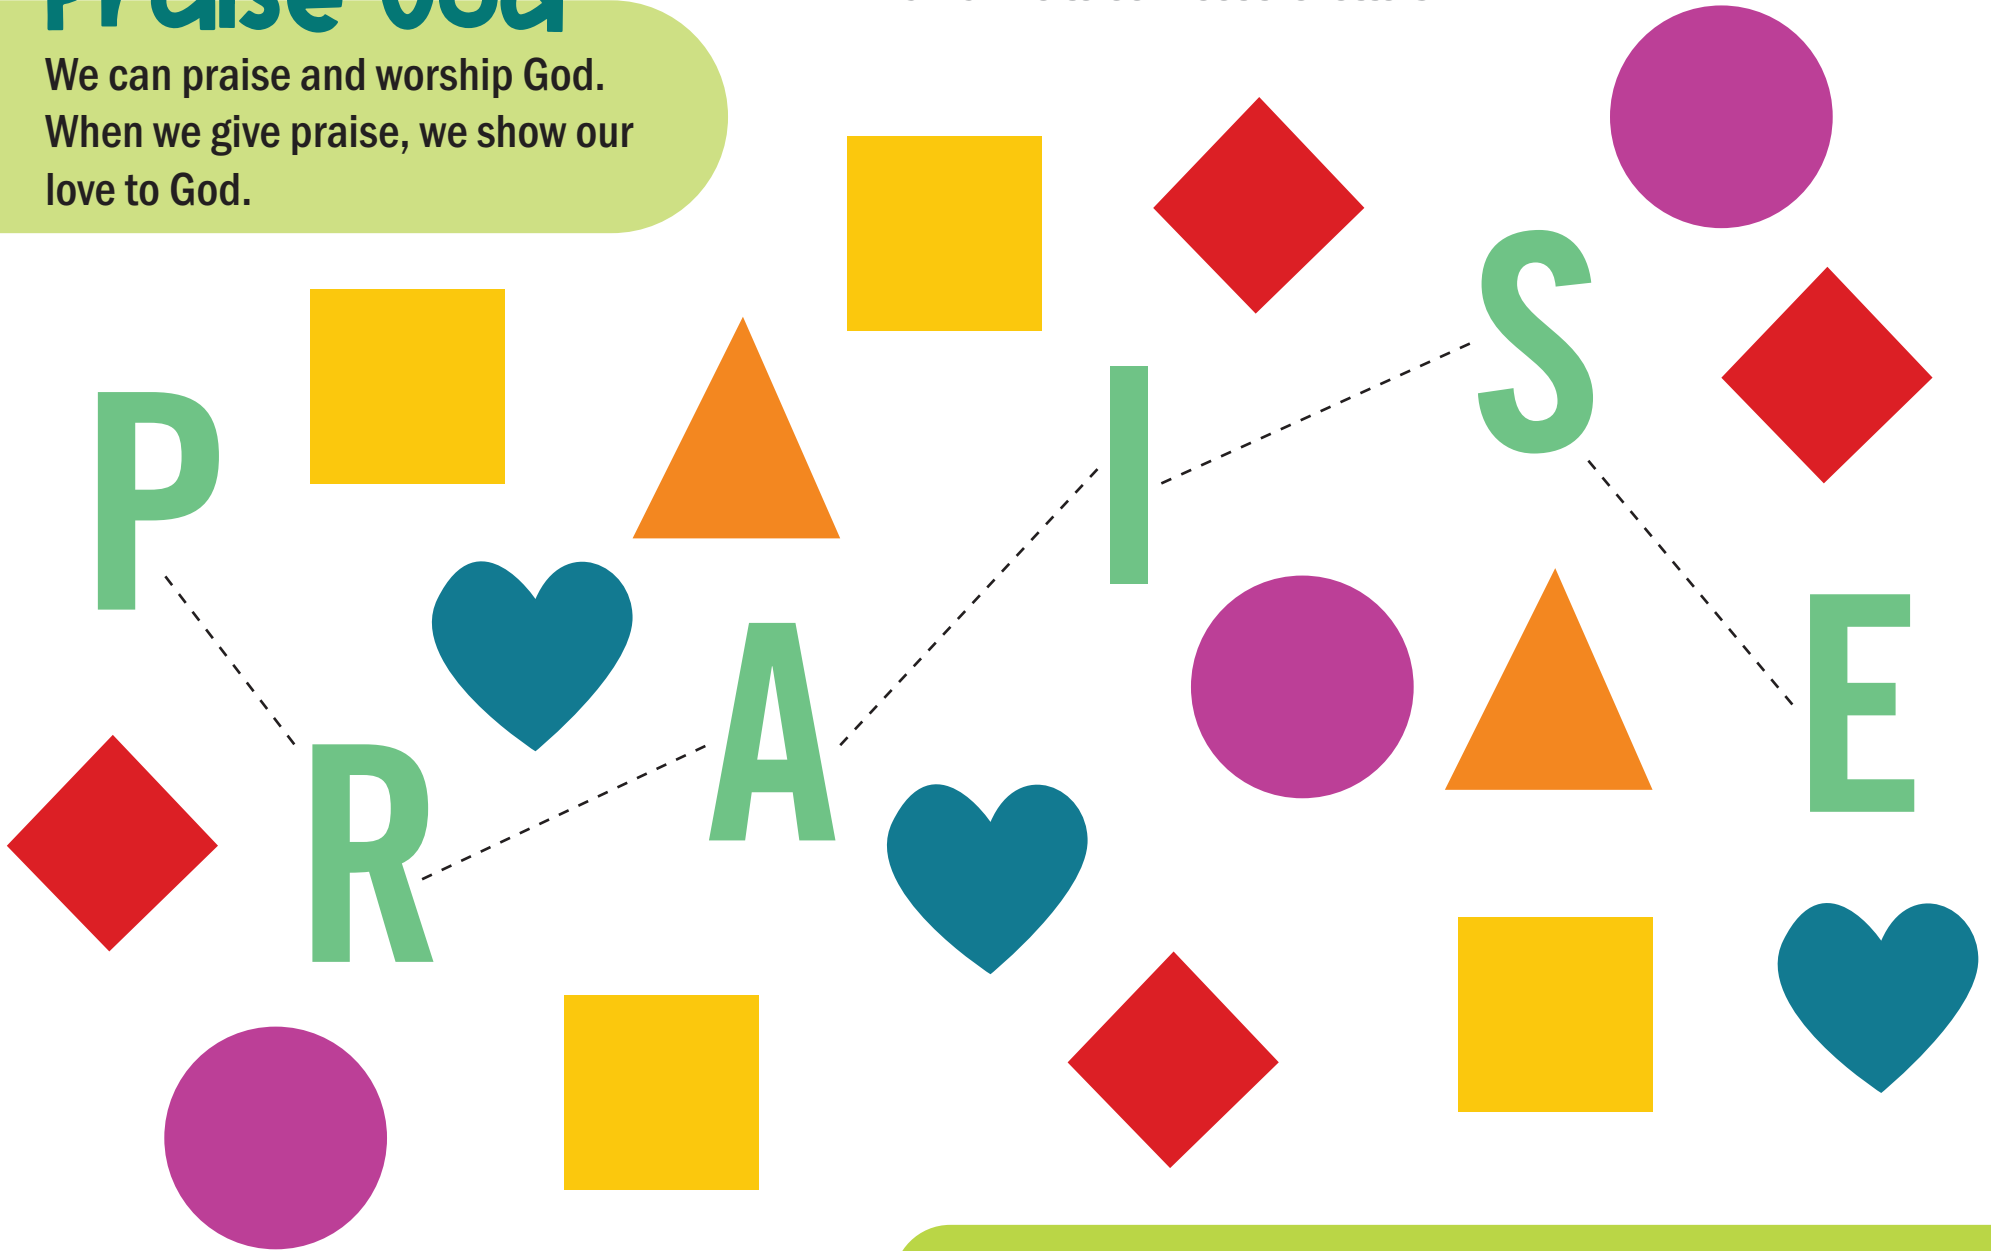

In another psalm, David wrote a prayer to God. David asked God to be near him. "Help me, God," David prayed.

David said, "I will tell of Your goodness, God, and praise You all day long."
