## JUNIOR HIGH MISSION TRIP

**WHO:** UBC & Global Gates

- Youth: UBC Junior High Youth (6<sup>th</sup>-8<sup>th</sup> grades)
- Adults: 1 adult sponsor per 5 youth (must complete appropriate forms)
- Partner: Kevin Greeson & Global Gates (<https://globalgates.info/>)

**WHAT:** Afghan Kids Camp & Ends of the Earth Temple Visits

The team will bring a camp-like experience to 40-60 Afghan refugee kids (Grades 2-5). An example would be a 5 hour VBS-type of experience in a local park, using Bible stories to share the Gospel. Temple visits will occur during the afternoon, one per day. This experience is designed to upgrade awareness of these religions, how to share with them, and reduce fear. Potential temple visits would include Hindu, Muslim, Buddhist, and Sikh temples. In addition to the ministry efforts, we'll carve out time for some fun experiences such as an Astros game, NASA, trampoline park or local ropes course.

**WHEN:** July 24-28

**WHERE:** Houston, Texas. Accommodations will likely take place in local church or missionary homes/apartments and not hotels.

**WHY:** "Therefore, go and make disciples of all nations."
