PHILOSOPHY

One of the most difficult areas of school administration is student dress and the standards to be used at Calvary Academy. For some students, dress guidelines are simply an extension of principles learned at home. For others, dress guidelines seem unnecessary and unreasonable limits for their unique personalities. Each family may have different ideas on what is appropriate. Experience has shown that it is necessary for the school to set standards in this area. The standards have been worked out by the administration and are based upon three characteristics of dress: **appropriateness, neatness, and modesty.**

GENERAL STANDARDS

- Students must wear the standardized school uniform to school. Dress codes for trips will be determined by the Administration based on the activity.
- The student may not wear outerwear clothing during the school day other than the approved uniform. If an extra layer is needed within the classroom, the student may choose the uniform fleece or sweater listed for each grade level, but a standard uniform shirt must be worn under the uniform fleece or sweater.
- Standardized uniforms **may not be altered or modified in any way, unless it is to let out the hem to extend the length.** This includes the gym uniform. The uniform must fit the student in an acceptable manner at the discretion of the administration.
- Non-uniform turtlenecks or mock shirts may not be worn as undergarments or in place of the uniform shirt or blouse.
- Shirts are to be tucked in except for polos which may be un-tucked. Tucked shirts must remain so for the entire school day.
- Shirts must be **loose-fitting.** Girl’s shirts/blouses/tops should cover midriff area completely (including when seated, and with arms raised).

- No inappropriate tattoos (as deemed as inappropriate by administration.) No body art/no body piercings, and no drawings on body.
- Changing out of the school or gym uniform after school is not permitted except for athletic team practice.
- No cross dressing.

JACKETS / COATS

Definitions:

Hoodie:	Pullover sweatshirt with a hood
Sweatshirt:	Pullover sweatshirt with no zipper, buttons or hood
Jacket:	Lighter or equal to the Calvary fleece and may or may not have a hood
Coat:	Heavier than school fleece and may or may not have a hood
Uniform Sweater:	Pull over or cardigan sweater purchased from the Uniform Shop
Fleece:	School uniform fleece (can be worn in class)

Guidelines:

- Students may wear coats, jackets, varsity jackets, and raincoats to and from school. However, students must remove their outer wear prior to the start of the day. Students that have not removed their outer apparel before entering class at 8:05 will receive a D-Hall. It is the student's responsibility to remember this; teachers will not give daily reminders.
- The school fleece, uniform sweater, and approved Calvary Academy athletic sweatshirts or hoodies for 6th-12th grade, may be worn in class, but a standard uniform shirt must be worn under the uniform fleece, sweater, sweatshirt or hoodie. Hoods must remain off while in the school building. All other forms of outer wear should be put away prior to the start of school.
- Personal hoodies and sweatshirts may be worn on "dress down" days, but hoods must remain off while in the school building.

STANDARDS FOR BOYS

- **All hair** should be neat and well groomed and only natural hair colors are permitted. Boys' hair length cannot be longer than **two inches** below the back hairline, and must not cover the eyes. Curly or afro-styled hair may not be longer than 3-4". No ponytails/buns, etc., mohawks, excessive spikes, or dread-locks allowed. Shaved lines, part lines and boxed out hairstyles are permitted, but no logos/designs may be shaved into the hair style. Hair may be tucked behind the ears or combed to the side in order to meet the standard. The administration reserves the right to address other hairstyles that we feel is inappropriate for school on an individual basis.
- **11th & 12th Gr. ONLY, Conditional Privilege:** manbuns will be permitted (not ponytails) with permission on a case-by-case basis, if hair is appropriately slicked back and the manbun is on the back of the head.
- Sideburns must be well groomed.
- Only natural hair colors are allowed. Modest highlighting and natural hair colors are permitted.
- Boys facial hair must be well groomed at all times, no excuses. Boys who are not well groomed will be asked to correct the issue and it will be checked the following day.
- Boys are **NOT** permitted to wear makeup, nail polish or earrings (except that a plastic placeholder is permitted) while at school, on campus or while attending school functions, including sports events/practices, even during the summer months, and are limited to wearing one piece of jewelry in addition to a watch.

STANDARDS FOR GIRLS

- Girls' "skorts" (grades K – 12) **may not be shorter than 3" above the top of the knee cap**; skirts/jumpers (grades K – 5) **may not be shorter than 3" above the top of the knee cap**. Parents and students should take future growth into consideration when purchasing uniforms so a young lady does not quickly outgrow her skort or skirt length.
- Girls receiving two uniform violations from the administration (regarding skort/skirt length) will be required to wear the uniform pants for the remainder of the school year.
- Girls are not permitted to wear fishnet type stockings.
- Make-up is permitted for girls in 6–12 grades but must be applied moderately, be natural in appearance and not excessive. Nail polish is permitted with the exception of black. Girls are not to apply make-up or nail polish during class.
- Elementary girls are not permitted to wear make-up, fake nails or tips.
- Girls are permitted to wear earrings. Girls may not wear more than two earrings in each ear. Studs only for cartilage piercing.
- Appropriate jewelry or accessories may be worn on the arms, neck, or fingers, but for elementary, no more than 3 of bracelets, necklaces, rings or other jewelry (earrings are as stated above.) Nose rings or other jewelry requiring body piercing are not permitted. In addition, **no plastic** posts may be worn under any circumstance.
- A girl's hair accessories and/or headbands should be **modest** and compliment the student's uniform in color and style. Scarves and hats may not be worn during class.
- Hair: Only natural hair colors are allowed: blond, brown, black or "natural" red. Ombre hair, **modest** highlighting and natural hair colors that complement a student are also permitted, but no half & half dyes or split-dyed coloring is permitted. Only natural hair colors can be used in braids or any hair styles. No shaved areas, Mohawk, feathers, tinsel or other items, or excessive spikes allowed, The administration reserves the right to address other hairstyles that we feel are inappropriate for school.

GIRLS & BOYS PRE-KINDERGARTEN:

- Please send a full change of clothing for students in Pre-K in a gallon zip-lock bag labeled with your child's name. In preschool, accidents can often happen, so a change of clothing including underwear and socks is a necessity.
- Non-tie tennis/athletic shoes (Velcro closure) are preferred. For safety purposes, no sandals, Crocs or open back shoes. Shoes/sneakers with laces need to have their laces tied.
- Students should wear comfortable, washable, "play" clothes that conform to the current weather conditions.

Girls may wear shorts that **are no shorter than 3" above the top of the knee cap**, Capri pants, jeans, or casual pants and appropriate shirts and casual shoes (no slippers, flip flops or slides.) Skorts or skirts may be worn as long as they follow the length requirements for school uniforms.

- Ragged or torn clothing
- Transparent clothing or clothing with holes, with the exception of ripped style jeans (**no rips/holes above 3" above the top of the knee cap.**)

- Off-the-shoulder tops, backless tops, low cut tops, tops that do not cover the midriff area when arms are extended straight out from shoulders, tank tops, sleeveless tops or other revealing tops.
