# ANGELS (GLORY TO GOD)

Angels we have heard on high  
Sweetly singing o'er the plains  
And the mountains in reply  
Echoing their joyous strains

**Gloria, in excelsis Deo**

Shepherds, why this jubilee?  
Why your joyous strains  
prolong?  
What the gladsome tidings be  
Which inspire your heavenly  
song? C'mon

**Gloria, in excelsis Deo**

**Gloria, in excelsis Deo**

*Glory to God, glory to God  
Glory to God in the highest,  
forever  
For all He has done  
His unfailing love  
Glory to God in the highest,  
forever*

Come to Bethlehem and see  
Him whose birth  
the angels sing  
Come, adore on bended knee  
Christ the Lord, the new-born  
King, eh

**Gloria, gloria  
Glory to God in the highest**

# WHAT CHILD IS THIS

What Child is this who, laid to rest  
On Mary's lap, is sleeping?  
Whom angels greet with anthems sweet  
While shepherds watch are keeping

**This, this is Christ the King  
Whom shepherds guard and angels sing  
Haste, haste, to bring Him laud  
The Babe, the Son of Mary**

So bring Him incense, gold and myrrh  
Come peasant, king to own Him  
The King of Kings salvation brings  
Let loving hearts enthrone Him

# THE DAY THAT CHRISTMAS CAME

God incarnate  
Jesus Christ  
You brought color into the world  
Turned darkness into light

Prince of Peace  
Emmanuel  
You brought color into the world  
God in man to dwell

**Oh let the angels sing  
Oh and let the sleigh bells ring  
All because Heaven is come  
Heaven is come to us**

**Oh let His people praise  
For the day that Christmas came  
All because Jesus is come  
Jesus is come to us  
The day that Christmas came**

Son of God  
Of Whom the Scriptures tell  
You brought color into the world  
And ransomed Israel

Humble King  
Mary's perfect Son  
You brought color into the world  
Bright and holy One

Our Messiah  
Deliverer  
You brought color into the world  
And joy unto the earth

# MANGER THRONE

You could have stepped into creation  
With fire for all to see  
Brought every tribe and nation  
to their knees  
Arriving with the host of heaven  
In royal robe and crown  
The rulers of the earth  
all bowing down

But You chose  
meekness over majesty  
Wrapped Your power in humanity

**Glory be to You alone  
King who reigns  
from a manger throne  
My life, my praise,  
everything I own  
To Jesus the King  
on a manger throne**

You could have marched  
in all Your glory  
Into the heart of Rome  
Showed them splendor like  
they'd never known  
But You wrote a better story  
In humble Bethlehem  
Creator in the arms  
of common men  
You will die for our redemption  
And You'll rise so we can live

*From heaven to the cradle  
From cradle to the cross  
Let heaven and nature sing  
This is our King  
But the grave couldn't hold Him  
Our God has overcome  
Let Heaven and nature sing  
This is our King*

*All hail the King x3*

# HARK

Hark the herald angels sing  
Glory to the newborn King  
Peace on earth and mercy mild  
God and sinners reconciled

*Joyful all ye nations rise  
Join the triumph of the skies  
With angelic host proclaim  
Christ is born in Bethlehem*

**Hark the angels sing  
Hark the angels sing  
Glory to the newborn King**

Christ by highest heaven adored  
Christ the everlasting Lord  
Late in time behold Him come  
Offspring of a virgin's womb

*Veiled in flesh the Godhead see  
Hail the incarnate Deity  
Pleased as man  
with man to dwell  
Jesus our Emmanuel*

Hail the heaven-born  
Prince of Peace  
Hail the Son of righteousness  
Light and life to all He brings  
Risen with healing in His wings

*Mild He lays His glory by  
Born that man no more may die  
Born to raise the sons of earth  
Born to give them second birth*

# MAKE ROOM

A family hiding from the storm  
Found no at the keeper's door  
It was for this a child was born  
To save a world so cold and hollow

A sleeping town, they did not know  
That lying a manger low  
A Savior king who had no home  
Has to heal our sorrows

**Is there room in your heart x3  
For God to write His story**

Shepherds counting sheep at night  
Do not fear the glory light  
You are precious in His sight  
God has come to raise the lowly

**Is there room in your heart x3  
For God to write His story  
You can as you are  
It may you apart  
When you make room  
in your heart  
And trade your dreams  
for His glory  
Make room in your heart**

A mother holds the promise tight  
Every wrong will be made right  
The road is straight,  
the burden's light  
For in His hands  
He holds tomorrow

Was to certain poor shepherds; In fields as they lay  
In fields where they; Lay keeping their sheep  
On a cold winter's night; That was so deep

# BLESSINGS

Sunlight fell  
and reminded me  
that life can be  
so gracious sometimes  
And I felt like  
everything around me  
was connected somehow

At night I hear the rhythm  
of the ocean as it breaks  
on the shore  
And I think about all the things  
that I am grateful for

**And they say,  
hold on to the ones you love  
Keep 'em close to you  
And they say,  
hold on to this time we have  
And let the light shine through**

Sometimes I get  
a little bit emotional  
when I see love unfold  
Two hearts  
bound by reflections  
of the memories  
they'll forever hold

*There are blessings  
all around you  
Open up your eyes  
Feel the sunlight  
fall upon you  
Let it free your mind  
There are blessings  
all around you  
Take a step outside  
Let your heart shine  
in a new light  
See it come alive*

# LABOR OF LOVE

It was not a silent night  
There was blood on the ground  
You could hear a woman cry  
In the alleyway that night  
On the streets of David's town

And the stable was not clean  
And the cobblestones were cold  
And little Mary full of grace  
With the tears upon her face  
Had no mother's hand to hold

**It was a labor of pain  
It was a cold sky above  
But for the girl on the ground in the dark  
With every beat of her beautiful heart  
It was a labor of love**

Noble Joseph by her side  
Callused hands and weary eyes  
There were no midwives to be found  
On the streets of David's town  
In the middle of the night

So he held her and he prayed  
Shafts of moonlight on his face  
But the baby in her womb  
He was the Maker of the moon  
He was the Author of the faith  
That could make  
the mountains move

It was a labor of pain It was a cold  
sky above But for the girl On the  
ground in the dark With every  
beat of her beautiful heart

**It was a labor of love  
For little Mary full of grace  
With the tears upon her face  
It was a labor of love.**

# ○ HOLY NIGHT

○ Holy night! The stars are brightly shining  
It is the night of our dear Savior's birth  
Long lay the world in sin and error pining  
'Til He appears and the soul felt its worth

*A thrill of hope the weary world rejoices  
For yonder breaks a new and glorious morn*  
**Fall on your knees; ○ hear the Angel voices!**  
**○ night divine, ○ night when Christ was born**  
**○ night, ○ Holy night, ○ night divine!**

Truly He taught us to love one another;  
His law is love and His Gospel is Peace  
Chains shall He break, For the slave is our brother  
And in His name, all oppression shall cease

*Sweet hymns of joy In grateful chorus raise we  
Let all within us Praise His Holy name*  
**Christ is the Lord; ○ praise His name forever!**  
**His power and glory evermore proclaim**  
**○ night divine, ○ night, ○ night divine.**

# TODAY IS THE SAVIOR'S DAY

There's a frost on the ground  
But a fire in my soul  
Today everything can change  
There's a flame in my heart  
That'll never grow cold  
Today is the Savior's day

Though the path may be covered  
In virgin white snow  
Your starlight will guide the way  
And the angels are singing  
We are not alone  
Today is the Savior's day

**Go tell it on the mountain  
(hope is alive)  
Go shout it in the valley  
(love has arrived)**

**Gloria, glory in the highest  
Oh, let the church choir sing out in  
Christmas praise  
Let the bells ring out on the Savior's day**

If you feel like a stranger,  
there's room at the inn  
Let no one be turned away  
Let the bygones be bygones  
and healing begin  
Today is the Savior's day  
Yeah, today is the Savior's day

*Let them sing it  
in the bars of Alexandria  
Sing it around the fires  
by Le Homme Dieu bay  
From North to the South,  
across every divide  
Together we celebrate  
'Cause today is the Savior's day  
The Savior's day*

# REJOICE

We've seen a great light  
Mystery and awe so bright  
Our lives forever changed  
Oh we follow the call in the night

We've wandered  
and journeyed so far  
Following a bright star  
We bring our riches and song  
Oh we are Bethlehem Bound

**Rejoice we've been made new**  
**Rejoice we've been made new**  
**The baby has come**  
**Our life has begun**  
**Rejoice we have been made new**

Sometimes it feels  
like hope is gone  
We've prayed for  
our Christ to come  
And now our savior is born  
Our Savior is born

and lonely night  
You come Emmanuel

***Gloria! Gloria!***

Sing we the song of Emmanuel  
This the Christ  
who was long foretold  
Lo in the shadows of Bethlehem  
Promise of dawn  
now our eyes behold

*God Most High in a manger laid*  
*Lift your voices and now proclaim*  
**Great and glorious,**  
**Love has come to us**  
**Join now with the hosts of heaven**

Come we to welcome Emmanuel  
King who came  
with no crown or throne  
Helpless He lay, the Invincible  
Maker of Mary, now Mary's son

*O what wisdom to save us all*  
*Shepherds, sages, before Him fall*  
**Grace and majesty, what humility**  
**Come on bended knee, adore Him**

Go, spread the news of Emmanuel  
Joy and peace for the weary heart  
Lift up your heads  
for your King has come  
Sing for the Light  
overwhelms the dark

*Hope alive, let the gospel ring*

**He will have the praise**  
**Tell the world His name is Jesus**

# GO TELL IT ON THE MOUNTAIN

While shepherds kept their watching  
Over silent flocks by night  
Behold throughout the heavens  
There shone a holy light

**Go tell it on the mountain  
Over the hills and everywhere  
Go tell it on the mountain  
That Jesus Christ is born**

I was a lonely seeker  
I sought both night and day  
I asked the Lord to help me  
And he showed me the way

He made me a watchman  
Upon a city wall  
And if I am a Christian  
I am the least of all

The shepherds feared and trembled  
When lo above the Earth  
Rang out the angel chorus  
That hailed our Savior's birth

Down in a lowly manger  
Our humble Christ was born  
And God sent us salvation  
On that blessed Christmas morn

# CRAZY TRAIN

All aboard ha ha ha ha ha ha ha  
Ay, ay, ay, ay, ay, ay, ay

Crazy, but that's how it goes  
Millions of people living as foes  
Maybe it's not too late  
To learn how to love  
And forget how to hate

## **Mental wounds not healing**

**Life's a bitter shame  
I'm going off the rails  
on a crazy train  
I'm going off the rails  
on a crazy train  
Let's go**

I've listened to preachers  
I've listened to fools  
I've watched all the dropouts  
Who make their own rules

One person conditioned  
to rule and control  
The media sells it  
and you live the role

*I know that things  
are going wrong for me  
You gotta listen  
to my words, yeah*

Heirs of a cold war  
That's what we've become  
Inheriting troubles  
I'm mentally numb  
Crazy, I just cannot bear  
I'm living with something'  
that just isn't fair

# BE A LIGHT

In a time full of war, be peace  
In a time full of doubt, just believe  
Yeah, there ain't that much difference between you and me  
In a time full of war, be peace

**In a world full of hate, be a light**  
**When you do somebody wrong, make it right**  
**Don't hide in the dark, you were born to shine**  
**In a world full of hate, be a light**

In a place that needs change, make a difference  
In a time full of noise, just listen  
'Cause life is but a breeze, better live it  
In a place that needs a change, make a difference

In a race that you can't win, slow it down  
Yeah, you only get one go around  
'Cause the finish line is six feet in the ground  
In a race you can't win, just slow it down

Yeah, it's hard to live in color, when you just see black and white  
In a world full of hate, be a light

# YOU BELONG

There's a place at the table  
there's room in the light  
No matter your story  
your wrongs or your rights

The world tries to break you  
to push you away  
But love speaks a language  
that fear can't erase

*You're not a mistake  
you're not alone  
Every heartbeat is sacred  
every soul has its home*

**You belong here, you are loved  
A spark of the stars from above  
You are worthy, you are strong  
In a world that divides, you belong**

The weight that you carry  
the scars you don't show  
The dreams that feel distant  
the seeds yet to grow

But love is relentless  
it won't let you fall  
It sings through the silence  
it answers the call

*You're more than your pain  
more than your past  
The light that's within you is meant to  
outlast*

*Rise up, rise up,  
feel the fire inside  
You were made to shine,  
don't you ever hide  
Every name, every face,  
every voice, every song  
No matter the distance  
no matter how long  
You belong!*

You belong here, you are seen,  
thread in the tapestry, part of the dream.  
You are worthy, you are whole,  
Love without limits, so beautiful

# CROWDED TABLE

You can hold my hand  
When you need to let go  
I can be your mountain  
When you're feeling valley-low  
I can be your streetlight  
Showing you the way home  
You can hold my hand  
When you need to let go

If we want a garden  
We're gonna have to sow the seed  
Plant a little happiness  
Let the roots run deep  
If it's love that we give  
Then it's love that we reap  
If we want a garden  
We're gonna have to sow the seed

**I want a house  
with a crowded table  
And a place by the fire  
for everyone  
Let us take on the world  
while we're young and able  
And bring us back together  
when the day is done**

*The door is always open  
Your picture's on my wall  
Everyone's a little broken  
And everyone belongs  
Yeah, everyone belongs*
