

## ROCK SOLID GOALS FOR NBCF

- **Primary:** We want to see 100% engagement from NBCF members
- **Secondary:** Raise \$7.5 million over two years to help build our “Decade of Destiny.”

The vision that God gives a church is a powerful life-changing directive.

In this **ROCK SOLID INITIATIVE**, we want to be very intentional in making sure we do everything we can to help extend the longevity of our church.

New Beginnings Christian Fellowship is at an exciting crossroad in the history of the church. With the help of **ROCK SOLID** members in 2005, we charted a new beginning. Now, you have the opportunity to make history by helping us begin again.

# ROCK SOLID

NEW BEGINNINGS CHRISTIAN FELLOWSHIP  
ONE FUND GENEROSITY INITIATIVE

Welcome  
let's worship the Lord

Relevant and transformative ministry always requires the combination of **FOLK** (human capital), **FAITH** (the ability to believe God for the unapparent) and **FINANCE** (the economic resources that set ministry plans in motion).

## FOLKS. FAITH. FINANCE.

We need folks to **do** the ministry.  
We need faith to **imagine** the ministry.  
We need finance to **move** the ministry.

We have entered into a new season where God is opening many ministry doors. In order to take full advantage of this moment we must be **ROCK SOLID** as a church community.

If New Beginnings is to have the capacity to be a forward-moving congregation into its third decade and beyond, it will have to be set upon a **ROCK SOLID** financial foundation.

## BUILD ON THE ROCK

Matthew 7:24-27

### A DECADE OF DESTINY

These goals will secure the longevity of NBCF:

- To hire (from outside) a full-time, dynamic Children & Youth Ministry Pastor (2027)
- To retire the church's mortgage by 2035
- To expand the church's campus by three to six acres of contiguous land.

Achieving these three goals simultaneously within the next decade will require

- 1) a healthy and steady upward trajectory of congregational giving
- 2) maximal tenant revenue, combined with
- 3) fiscal discipline.

We call this "A Decade of Destiny."

### The Importance of a Full-Time Children's & Youth and Young Adults Pastor

New Beginnings is a growing church that is attracting many young adults and families that have or will be having children in the coming years.

Providing high quality programming for children (and their parents) will accelerate the increase in young families drawn (and retained) to the church. A pastor for young adults will help shape the next generation of leaders in the church.

### The Importance of Paying Off the Church's Mortgage

Doing so will free up approximately \$800,000 annually to be repurposed for investment in ministry programs, missions, staff development, facility development, new technologies and equipment upgrades.

A new pastor, with talent and vision, will work with the church's leadership and staff to translate the availability of these incredible new resources

into a renaissance-type era of ministry achievement for New Beginnings Christian Fellowship.

### The Importance of Expanding the Church's Land Ownings

New Beginnings' original Vision Plan, "Deepening our Roots and Extending our Reach," calls for amassing 20-30 acres of contiguous land for the development of a ministry campus. The space would include:

- a new Worship & Administrative Center
- a Performing Arts & Family Life Center (classrooms, fitness facilities and industrial kitchen)
- a senior housing development (including retail tenants at the streetscape)
- 400+ parking spaces
- generous green spaces
