

MONTHLY NEWSLETTER OF RESURRECTION LUTHERAN CHURCH

SEPTEMBER 2026

From the Pastor

Rest with Us

I always giggle a little knowing that church activities (and many outside the church too) start after Labor Day. Labor Day was officially made a national holiday by President Grover Cleveland in 1894, after it had been celebrated by as many as 23 states in the decade preceding its official recognition. Whether we realize it or not, we still practice Labor Day according to its original intent, to remember and celebrate our labor. Maybe it's entirely appropriate that we do start new labor after celebrating Labor Day.

How does Labor Day fit in the life of the church? It can be more than just a day on the calendar that we wait for before starting programs. Have you ever heard that every Sunday is a "little Easter"? In a similar vein, we could also say that every Sunday is a little Labor Day! If Labor Day is a time set aside to celebrate and remember our labor, then Sunday is a day set aside to remember and celebrate the labor of Jesus for us. Our time set aside in weekly worship is completely centered on God, celebrating His work for us and receiving that work again and again. God comes to us in Jesus for one purpose, to labor on our behalf, giving us exactly what we need.

One this is abundantly clear throughout all the Bible Story; God comes for people who are tired and weary from their labors. The labor of sin, worry, fear, pain, loneliness, doubt, and hurt are the labors that Jesus came to relieve us of. **"Come to Me, all who labor and are heavy laden, and I will give you rest"** (Matthew 11:28). This is why Jesus came, to give us the gift of His eternal rest. Another way to read this is that Jesus "will cause us to rest." Let church be a resting place, a place set aside and different from everything else in this world, a place that God has designed for the sole purpose of filling our souls with Himself. Let church be what God intended it to be, a place where God fulfills His promise, **"I will satisfy the weary soul, and every languishing soul I will replenish"** (Jeremiah 31:25).

Sunday Morning Bible Study

Sunday School Stories... They're Not Just For Kids!

Sundays, 9:30-10:30 am
Fellowship Hall

September 13-October 11
Led by Pastor Zach Sarrault

Creation, Noah's Ark, Jonah and the Whale, Daniel and the Lion's Den, these are some of the foundational Bible stories we are taught at a young age, then when you hit a certain age you don't hear them used a whole lot in the church.

Why are we taught them as kids? Do they still matter to adults?

Join me, and bring your Bible, as we dig a little deeper into some of the "Bible classics" to see what God was doing then and how He still uses these stories today!

So, as we turn the calendar to the month of September, allow God to cause you to rest, let Him force you into His resting arms. Come to Jesus daily in His Word, weekly in worship, and again in church activities. Prayerfully consider what new Bible study, event, or activity God is leading you to rest within this season. It's not meant to be another labor added to the schedule, it's a celebration of Jesus' labor for you, a celebration that practices eternity now even as we journey to eternal celebrated rest.

Your resting brother in Christ,
Pastor Zach Sarrault

Faith in Action Prayer Vigil

Come Pray with Us!

Save the date and join us on **Saturday, October 10** from 2:00 to 3:30 pm.

Come pray with us during the Prayer Vigil as we pray for our *Faith in Action* campaign. You are invited to pray privately in our Sanctuary, our Prayer Garden, or take a Prayer Walk around our church campus.

More details will be coming in the next few weeks!

Gracious God,

We give thanks to You for our Resurrection Lutheran Church community that You have rooted in Your overflowing grace and guided by Your Word in this place since 1978.

We come before You, praying that You will continue to gift us to be a beacon of Your light and saving hope in Jesus Christ.

May our *Faith in Action* campaign be guided by You for the growth of Your kingdom. Help us make Your love known to those who need to know the love of Jesus.

We pray, Heavenly Father, that You will raise up faithful stewards of Your gifts and laborers for Your harvest.

In Jesus' holy name, we pray.
Amen.

Blessing of the Quilts

RLC Piecemakers are nearing the end their quilting year which culminates with the Blessing of the Quilts during all worship services on **October 3/4**.

They have already completed over 200 quilts ready to send to Lutheran World Relief for those in need. Everyone looks forward to this and the annual sale of quilts and crafted items before/after services that weekend.

We appreciate the fantastic support of this ministry by our congregation. And hope you will mark your calendar and plan to attend. Several different, unique, and one-of-a-kind items will be available to purchase.

Capital Campaign

Faith in Action

A special word of thanks to everyone who made our campaign kick off a success last month, especially Ako and Donnie Wilson, our campaign Hospitality Support Team leaders, who facilitated our lunch in the gym.

Almost 190 of you came out for the event to find out more about *Faith in Action* and to volunteer in making that gathering a success. Thank you, one and all, for your gifts of time, talent, and treasure that you may have already made in thanksgiving to God on behalf of our *Faith in Action* campaign!

Please note that both a broad base of support and a few more substantial gifts to our campaign are needed. Of course, not everyone can make a gift that reaches 10, 5 or even 1 percent of our goal. The Scriptures tell us that "God loves a cheerful giver," and I encourage you to give cheerfully as you are able! But if you can, please do what others can't and watch how it inspires similarly generous gifts.

Most importantly, I encourage you to continue to keep these efforts on behalf of Resurrection Lutheran Church and our involvement in God's mission in your prayers. We do what we do best as a congregation when we do it together! - Pastor Jonathan

Tuesday Morning Bible Study

Tuesdays, 10:30-11:30 am - Fellowship Hall - September 8-May 25

Leaders: Pastor Jonathan Blanke, Pastor Zach Sarrault

God gives His Word to instruct, guide, and bless our lives. The Scripture lessons in worship offer a menu every week to build up the people of God in faith and hope. We will study the lessons for the following Sunday, and as we do, we expect that this Word will enrich and edify our community prayer, faith, and servant life in Christ.

Wednesday

Christian Parenting - Questions They Ask

Wednesdays, 6:00-7:00 pm - Room 240, Family Life Center - September 9-April 21

Leaders: Pastor Zach Sarrault and Erika Hulse, Children and Family Ministry Director

Our kids ask us a lot of questions. Are we prepared to answer them? When was the last time we actually answered these questions for ourselves? As Christian parents, we want to be ready to answer the faith-filled questions our kids give us, answering them in a way that is faithful to God's Word. Who is God? What is the Trinity? When is Jesus coming back? Where is heaven? How do we pray? Why did He allow sin? Join us and bring your own questions as we grow in God's calling to be Christian parents.

This Is the Church

Wednesdays, 6:00-7:00 pm - Room 251, Family Life Center - September 9-October 7

Leader: Pastor Jonathan Blanke

This class takes a close look at what we believe as Christians. It is a great opportunity for everyone, whether you're coming from another denomination, new to the Christian faith altogether, or simply want to review the basics of the Christian faith according to the Lutheran tradition. Bring your Bible; a catechism will be provided.

Men's Ministry - A Study of Heroes of the Faith

Wednesdays, 7:00-8:00 pm (Fellowship at 6:30 pm) - Room 245, Family Life Center - September 9-23

Contact: Tom Gebbia

Are you curious about some of the less famous men and women in the Bible? Would you like to learn more about their lives, how they responded to God's call, and how we can apply these lessons to our lives today? The Men's group will study and discuss some of these using the *Heroes of the Faith Series* of studies published by Concordia Publishing House.

We will study one person each week. We will learn about the cultural setting and life story of each person, examine the joys and challenges they faced and see how God forgave and empowered them. We will discuss how these lessons can apply to our lives as Christian men today. This year, we will learn about "quiet" heroes of the faith such as Hannah, Zacchaeus, Dorcas and John Mark. Led by Mark Otten.

Stephen Ministry

You Are Not Alone

In today's fast-paced world, mental health challenges such as depression and suicidal thoughts affect everyone from children to elderly adults. Anxiety, academic pressures, identity struggles, financial stress, burnout, chronic illness, and the loss of loved ones are just some of the stressors that can make us turn inward instead of reaching out. The rise of AI chats cannot replace a personal interaction and sometimes lead to false narratives that advance the health challenge rather than solve it. It is crucial at these times to have support systems in place, and if you are looking for someone to listen, a Stephen Minister can play a vital role in providing emotional and spiritual support.

Stephen Ministers are trained lay people who offer one-on-one care to those in need. They provide a listening ear, a compassionate heart, and a non-judgmental presence. Their goal is to walk alongside individuals during difficult times, offering support and encouragement. For those suffering from moments of sadness or depression, having someone to talk to can make a significant difference in the healing journey.

One of the key aspects of Stephen Ministry is our focus on confidentiality. Individuals can share their struggles openly, knowing that their conversations will remain private. This creates a safe space for those who may be hesitant to seek help due to fear of judgment or stigma.

In addition to providing emotional support, Stephen Ministers are trained to recognize the signs of severe depression and suicidal ideation. They understand the importance of professional intervention and are equipped to refer individuals to appropriate mental health resources and to intervene if the discussions become more centered on suicidal thoughts. The 988 Suicide & Crisis Lifeline is a critical resource that Stephen Ministers can use and recommend to those in immediate need of professional help. By dialing 988, individuals can connect with trained counselors who provide immediate support.

It is important to remember that seeking help is a sign of strength, not weakness. Together, we can create a compassionate community where individuals feel safe to seek help and find hope. Remember, you are not alone.

To learn more about Stephen Ministry at RLC, [click here](#). If you or someone you know who could use a listening partner, consider emailing the Stephen Leader team at stephenministry@rlcary.org and ask about how to make a referral to a Stephen Minister.

If you or someone you know is in crisis, please call the 988 Suicide & Crisis Lifeline for immediate support.

*"Carry each other's burdens, and in this way
you will fulfill the law of Christ."*

Human Care

Update on Christmas in July

Christmas in July was another huge success. Thank you to all who donated to our partner organizations: Gateway Women's Care, Safe Families for Children, and Families Together.

Thank You Note

The congregation received a thank you letter from NeighborHealth CEO, Daniel Lipparelli. They received a financial gift from RLC as a result of the Lenten offerings. Just a small excerpt from the letter:

"We are thrilled to announce that with your generous support, we have now secured the funds we need to open our NeighborHealth Center Pharmacy! An in-house pharmacy has been a long-term organizational goal since we opened the Susanne Berger Clinic in 2022, and we are so excited to be making this truly transformational project a reality!"

And from me personally,

Help Needed at the 9:30 AM services!

The 9:30 am service is recruiting a two person team for Altar care. Communion is celebrated at the 9:30 service on the 2nd and 4th Sundays of the month.

Job Requirements

1. Set up for communion with tables and elements before service begins. Plan to arrive by 9:00 am.
2. Clean up after service of all communionware, restocking supplies, and empty the trash from the sacristy. Usually finished by 11:30 am.
3. Laundering of the used communion linens at your home and returning them to the church.
4. Willingness to help with special services at Christmas and Easter.

We currently only have 3 people willing to serve. With an additional team, you would be asked to serve once a month or less.

Please contact Dara Linn through RCB, or the church office (919-851-7248, office@rlcary.org).

Widows Group

Following Naomi

Following Naomi will resume their meetings on **Thursday, September 10** at 2:00 pm in the Fellowship Hall.

Weekend at Camp Agape

Is it time in your life for a Spiritual renewal? Are you looking for a way to feel closer to God and grow in your Faith? Do you want to want to learn more about God's Grace? A great way to grow in your faith is to attend a Via de Cristo weekend.

The weekend of **September 17-20**, begins on Thursday evening and ends late on Sunday afternoon. During that time, you will attend chapel each day, sing lots of great songs, hear from lay people and clergy on how to grow in your faith, walk and serve Christ. Let's not forget the great food and snacks.

There are many people in our church who have attended a weekend who would love to share their experience. If you are interested in attending a weekend or have questions about Via de Cristo, please feel free to contact Lynne Hoffman through RCB, or the church office (919-851-7248, office@rlcary.org).

Cross-Cultural Mission Engagement Team

Mission Minute

"We are so grateful for Resurrection's generosity in helping to fund our latest LISA class. We heard such positive things about the time instructors and students spent together. This was the first course where they were able to use the newly redesigned materials: slideshows, instructor notes, and student homework. The course was written by Rev. Dr. Todd Jones, who traveled to Cambodia last October to go over the new curriculum and receive input from the leaders there." - Liane Henkell, Garuna Ministries

Thank you, RLC!

Garuna's Luther Institute - Southeast Asia Cambodia cohort gathered last week in Phnom Penh for the "New Testament Survey: Knowing Jesus Better" class. One student noted it helped him "know Jesus through understanding His mission, service, death and resurrection." This class was largely funded by Resurrection Lutheran Church (Cary, NC).

The Luther Institute Southeast Asia (LISA) is a ministry of The Garuna Foundation that is dedicated to helping teach God's Word in Southeast Asia. This Bible teaching and training ministry assists the Thailand Concordia Lutheran Church (TCLC), the Cambodia Lutheran Church (CLC), and other regional Lutheran partners in the training of indigenous and national pastors, deaconesses, Garuna School teachers, and lay leaders for service in their respective churches.

These photos are of the three graduations that resulted from our congregation's sponsorship of the LISA training in July. And about the same number participated online, so the total reach of "our" training was especially great!

Health Focus

Pain Awareness Month

September is Pain Awareness Month — an opportunity to recognize those living with pain and encourage compassionate support.

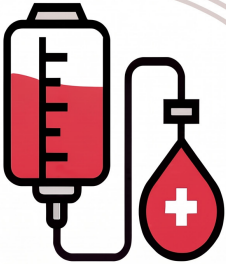

- Pain isn't always visible. Someone may look well while experiencing pain.
- Pain can affect the whole person. It may impact sleep, mood, relationships, work, and daily activities.
- Chronic pain is real. Ongoing pain deserves attention.
- Listen without judgment. Avoid minimizing someone's pain experience.
- Offer practical support. A meal, ride, phone call, or helping hand can make a meaningful difference.
- Social and spiritual support: Connection with family, friends, congregation members, and other sources of encouragement.
- Chronic pain often requires a multimodal treatment approach, which means using several complementary strategies rather than relying on one treatment alone.

Depending on the person, this may include:

- o Medical care: Appropriate medications, procedures, or treatment of an underlying condition.
- o Physical approaches: Physical therapy, exercise, stretching, and improving strength or mobility.
- o Psychological support: Counseling or cognitive behavioral strategies to address stress, anxiety, sleep, and the emotional impact of pain.
- o Lifestyle strategies: Healthy sleep, nutrition, pacing activities, and maintaining meaningful daily routines.
- o The goal of treatment isn't necessarily to make pain disappear completely, but to reduce suffering, improve function, and help people live as fully as possible despite chronic pain.

We had an amazing start to the 2026-2027 school year! Our staff and students have had a great week getting to know one another, settling into their classrooms, and learning the routines of the school day.

As we settle into our school routines, it is incredibly important that parents and any caregivers who will be navigating our morning or afternoon car line read through our Carline Procedures online.
