

Tri-Village Position Description

Title: Audio Director (Part-Time)

Reports to: Worship Arts Pastor

Position Description

The Audio Director will work with Tri-Village's Tech Team to provide high-quality and engaging worship experiences at Tri-Village. This position will mainly be responsible for three areas: 1) oversight of online audio mixing, 2) assisting Tech Director with running sound for FOH, and 3) helping to grow the audio ministry through recruitment and training, as needed.

Responsibilities

- Oversee all audio elements for online services and events
- Assist Worship Arts Pastor and Tech Director in areas of audio upgrades and worship service evaluation
- Attend any Thursday worship team practices prepping for online streaming
- Review sound after each weekend for quality control and improvements
- Work to build a team who could help in this role
- Suggest improvements as needed

Expectations

- Previous live worship mixing experience
- View the position as a ministry to reach people for Christ
- Enjoy being on a team and working with different generations
- Meet on a regular basis with Worship Arts Pastor
- Quick to respond to emails, phone calls, and follow-up as needed
- Either be a member of Tri-Village or willing to place membership upon hire
- Thursday evening practices (6:15-8:15pm) and Sunday morning services
- Audio for special events (i.e. Good Friday service, Christmas Eve) and Sundays

About Tri-Village Christian Church

Tri-Village is a multi-generational church located 20 miles east of Columbus, Ohio that offers three identical services on Sunday mornings (8:30, 9:50, & 11:10am). Typical services last about an hour and include communion every week. Worship style is a mix of modern worship music including Vertical Church, Hillsong, Bethel, Elevation, Tomlin, Phil Wickham, and Zach Williams. The church's mission is to "Connect All People to Jesus and One Another."
