

David Fought Goliath

1 Samuel 17

Family Discussion Starters:

- What is one thing you remember from this week's Bible story?
- Who volunteered to fight Goliath?
- Why was David not afraid to fight Goliath?
- God gave David the power to beat Goliath. Who came to save us from sin and death?

Family Activities:

- Go on a family walk and look for stones. If possible, collect and examine the stones. Consider sorting the stones by size and shape.
- Measure each family member's height. Then, measure Goliath's height of 9 feet 9 inches. Compare family members' heights to Goliath's. Pray, thanking God that He is with His children at all times, including times we are afraid.
