

God Chose David to Be King

1 Samuel 16

Family Discussion Starters:

- What is one thing you remember from this week's Bible story?
- Who did God choose to be the next king?
- Why do you think people were surprised God chose David to be Israel's next king?
- What is the difference between how God sees people and how we see people?

Family Activities:

- God said He sees the heart. He knows what we think and feel. Take time to affirm ways you see God's handiwork in the heart of each family member.
- Look online to find video or audio clips of harp music. Remind the children that David played his harp for Saul, and Saul felt better. Talk about how the harp sounds different from other instruments.
