

God Is Good to Judge Sin

Genesis 18

Family Discussion Starters:

- What is one thing you remember from this week's Bible story?
- What did God say about the people who lived in the city of Sodom?
- Why do you think God would save the city if He found 10 righteous people living there?
- God is good to judge sin, and He always does what is right. Who took the punishment for our sin?

Family Activities:

- Remind your children that sin separates us from God. Help your children understand that sin is first and foremost disobedience to God. Ask each family member how she can obey God. Encourage each family member to tell a time it might be harder to obey God.
- As a family, search different rooms in your home for sets of 10 items such as 10 socks, 10 spoons, 10 crayons, and 10 toy animals. Talk about how the number 10 relates to the Bible story.
