

Solomon Built the Temple

1 Kings 6-9

Family Discussion Starters:

- What did Solomon build for God?
- How did the people know that God's glory was in the temple?
- Where do you like to meet with and talk to God?

Family Activity:

Drive or walk by some church buildings in your community. Discuss how the beauty of these buildings honors and glorifies God, but emphasize that we don't need a beautiful building to meet with God. Because of Jesus, we can meet with God anywhere.
