

Solomon's Sin Divided the Kingdom

1 Kings 10-12

Family Discussion Starters:

- How wealthy was Solomon? Was that enough for him?
- What was the consequence of Solomon's sin?
- Who is the only perfect King?

Family Activity:

Search online for pictures of idols and form replicas out of play dough. Discuss how an idol is not just a statue; anything we love or worship more than God is an idol: other people, ourselves, fame, money, and so on. In this way, we all worship some type of idol and need forgiveness.
