

# Zephaniah Warned God's People to Repent

Zephaniah

## Family Discussion Starters:

- How does God's promise to one day make all things right help us when we are wronged or hurt?
- How can we provide hope to those who fear God's judgment of sin?

## Family Activity:

Gather scrap materials such as paper towel tubes, old newspapers, plastic water bottles, etc. Invite kids to create something new out of these old materials. Remind kids that Jesus will fix all that is broken and make all things new.
