

Nahum Warned of God's Judgment

Nahum

Family Discussion Starters:

- Why does God want people to worship Him only?
- How can God's character be jealous and loving at the same time?

Family Activity:

Write a letter or send an email to a missionary family your church supports. Encourage them as they share God's message of hope to people. Include a card or piece of artwork that references the words of Nahum 1:7.
