

Every Person Matters

Psalm 139

Family Discussion Starters:

- How does it feel to know that God made you just the way He wanted you to be? How does this change the way you look at yourself and others?
- How does showing love to others help them know God?

Family Activity:

Look at photos of each family member when they were younger. Talk about how they've changed or what features are still similar. Read Psalm 139. Remind kids that God created them and knows them completely. He created us to know Him and praise Him forever.
