# God Provided Manna

Exodus 16-17

## Family Discussion Starters:

- What is one thing you remember from this week's Bible story?
- What food did God provide for His people?
- Why do you think the people complained to Moses rather than asking God to give them what they needed?
- In what ways does God provide for you?

## Family Activities:

- Make a meal together as a family. Allow your children to plan, lead, and prepare the meal. Talk about ways God provides food for your family.
- Look online to find pictures of quail and manna. Remind your children God provided quail and manna for His people. Ask your children to describe how they think quail and manna taste.
