## BIBLE STORY FOR TODDLERS:

God told Moses to build a tabernacle, or a tent church, and told him how to build it. God's people brought supplies to build the tent. The people worked together to build the tent for God. Part of the tent was made of wood. It had curtains and a roof. Inside, the people made furniture. Every part of the tent was special. God chose Aaron and his sons to serve in the tent. Aaron put on special clothes that the workers made. He was a priest. Aaron's sons served God as priests, too. God was always with His people.
