### BIBLE STORY FOR TODDLERS:

A man named Paul traveled to tell people about Jesus. Paul wrote a letter to his friend Timothy telling how Jesus wants us to live. Paul said, "Some people will love money more than God. They will not love others and will disobey their parents. The people will not love God or live how He says." Paul also wrote, "The words in the Bible are from God. The Bible is true. It tells us what is right and wrong." Everything we need to know to follow Jesus is in the Bible.
