

# Stewardship Project Log 2023-2024

Teens are expected to participate in a minimum of 6 stewardship projects (that total 20 hours for the year): at least two that serve family, two that serve St. Jude parish or another parish, and two that serve the community.

Teens must record each service effort in this Stewardship Log as well as reflect on, fill out, and turn in one Stewardship Reflection page by April 7, 2024.

Each service project must be signed by the organizer or supervisor at the time of the project.
