OUR VISION STATEMENT

We want to see every member of the HBC family growing in
 Christlike character and on mission in our church,
 in our homes, in our city, and in our world.

FROM OUR CHILDREN'S MINISTER...

An Egg-celent Hunt

Easter has always been such a fun time of year for families. Kids are dreaming about how many eggs they will hunt at the Easter Egg Hunt, moms are dreaming of those cute family photos in front of the cross, dads are dreaming of the good food that they're about to eat, and grandparents are dreaming of the quality time that they are going to spend with their family—it's always such a fun holiday to celebrate. Everyone is always so joyous because Easter is the day that we celebrate our Savior's defeat over death. But why do we celebrate with an Easter Egg Hunt? Eggs are a symbol of new life—which is exactly what Jesus gives us if we put our faith and trust in Him.

I am so excited for our Easter Egg Hunt that is coming up! I am trying to think outside the box (or egg carton) to make this Egg Hunt the best yet. Activities like the Egg Hunt are always great ways to fellowship with church members and connect with new families. I always love the laid-back environment of the Easter Egg Hunt because it's a time where families can build relationships with each other. God made us relational people for a reason. I hope that you plan to attend our Egg Hunt so that you can build and deepen relationships with the people in our church. I have had many people ask me what they can do to help me with the Egg Hunt, so here is what I need: Candy-filled Eggs, candy, any baked sweet, and for you to invite your friends and family to come! This Egg Hunt will be fun for people of all ages!

I hope that you, your family, and friends can join us on Saturday, April 8 from 10:00 until 12:00 in the lower parking lot for an afternoon filled with Good News, countless eggs, numerous activities, endless sweets, and eggcelent fun!

HIGHLAND BAPTIST CHURCH MEMORIAL IN MEMORY OF MRS. ALINE MCCARY:

Designated to the Youth Ministry BY:
Pete and Betty Roberts
