Hey Highland! There is an exciting new ministry coming in August. It's called the E-Team Ministry, and it stands for the Evangelism Team Ministry. Did you know that most of the biblical examples of evangelism actually happen in a team setting? Ministry and missions are team-oriented and since evangelism is part of those functions, evangelism is also team-oriented! If you would be interested in knowing more about the E-Team Ministry 12-week training that begins in August, see me (Bro. David). I would love to tell you more about it.

With joyful hearts

Community Groups
They devoted themselves to the apostles' teaching, to the fellowship, to the breaking of bread, and to prayer (Acts 2:42, CSB).

Community Groups meet weekly in homes and follow Acts 2:42 as their model. They eat together; fellowship together; study God's word together; and pray together. We have thirteen groups in our area and chances are that there is a community group close to you. It's a perfect place to invite friends to encounter a living and loving God. Date: June - July
