FROM OUR STUDENT AND CONNECTIONS PASTOR...

Over the past several years, I've been able to coach my daughter's softball team. Leia just started her 4th year playing and, once again, I am able to coach her team. We had our first practice last week and are getting ready for our first game next weekend. She is playing on an 8U team meaning that all the girls on the team are 8 years old or younger. As a result of this being a young team, we have a wide variety of experience on this team. Some girls on the team have played for several years and are coming into the season with a good amount of experience. Other girls on the team have a little less experience. While other girls are coming into this season having never in their life played softball. It's always fun to me to watch these girls with little or no experience. Some don't know how to stand in the batter's box to hit the pitch. Some don't know the proper technique to throw the ball across the diamond. Some don't even know which hand on which to put their glove. I don't say all this to mock these girls. They are fun to coach because most of them are a blank slate ready to learn. With a good attitude and a willingness to work, these girls will show the most improvement by the end of the season. They will go from knowing very little to a contributing part of the team.

For every single one of us who are followers of Christ, this metaphor of the Christian walk should hit close to home. We all, at one point in our walk with Christ, were young in the faith having no idea how to live like Jesus. Unfortunately, congregations all across this country are filled with people who are not willing to work hard (Colossians 3:23-24), have the right attitude (Philippians 2:5-11), and be coachable by spending time in His word (2 Timothy 3:16-17). Ephesians 4 says that we are called as His children to continue to grow in Him, to be more like Him, so that He can make a difference in the world around us. Work hard. Have the right attitude. Be coachable. Be these things and God can and will do mighty things in and through you for His glory.

...Mrs. Sharon Johnson in the death of her husband.
